## Farewell To Arms For 'Fighting X'

**FORMER FLAGSHIP OF FIVE PACIFIC FLEET COMMANDS, THE USS SOUTH DAKOTA, FAMED "BATTLESHIP X" OF THE NAVAL CAMPAIGNS, IS DECOMMISSIONED FROM SERVICE AT THE PHILADELPHIA NAVAL BASE AND WILL BE PLACED IN THE ATLANTIC RESERVE FLEET. ABOVE, THE AMERICAN FLAG IS LOWERED.**

(International)

## Byrd In Sentimental Visits To Old Camps

LEE VAN ATTA  
(U. S. Staff Correspondent)

WITH BYRD EXPEDITION IN ANTARCTIC, Feb. 4.—Adm. Richard E. Byrd, accompanied by members of his first pioneering expedition to the Antarctic, paid "sentimental visits" to his first and second Little America camps which showed they are largely intact today.

The admiral traveled by "weasel" drawn sled to the scene of his initial polar triumphs, and had to dig through between 12 and 15 feet of snow collected over a 19-year span to find the original houses.

Study construction

Nevertheless, though time and the elements had cut heavy inroads into their recognizability, the establishments gave proof of their sturdy construction. Coffee, candy staples and one of the admiral's famed early-day pipes still were salvageable and were brought back.

With Byrd in the lead weasel was Dr. Paul Sipe, who as a Boy Scout accompanied the admiral on his first Antarctic expedition years ago. The pair had a fine time, recalling the hardships of the first make.

## PA NEW OBSERVES

Today's change in the weather, accompanied by a snow storm, started a rush of motorists to have chains put on their autos; and brought out snow shovels to clear the sidewalks.

\*\*\*

The old fashioned stocking cap has made a comeback among the adults of West Side area, Pa. News notes. Several women of the area were noted in the markets of the area Monday attired in the caps which provide plenty of protection from the biting winds of the winter days.

\*\*\*

Although the shortage of houses and apartments is still acute, Pa. News has witnessed several good sized movements of furniture being transported through the city in the past few days. Numerous residents have resorted to small two-wheel trailers attached to their cars to do their moving in.

\*\*\*

P. Dale Johnston, of the Harlanburg road, who has just returned from Michigan, reported that freakish weather conditions were experienced.

(Continued on Page Two)

## Daily Weather Report

United States weather statistics for the 24-hour period ending at 9 a. m. today follow:

Maximum temperature, 46.  
Minimum temperature, 18.  
Precipitation, .10 inches, snow and rain.

River stage, 8.2 feet.

Statistics for the same date a year ago follow:

Maximum temperature, 35.  
Minimum temperature, 8.  
No precipitation.

## First Proposal On Graduated Tax Cut Is Expressed

Congressman Presents First Concrete Plan On Proposed Income Tax Reductions

HOUSE OPINION DIVIDED ON CUTS

By ARTHUR F. HERMANN  
(U. S. Staff Correspondent)

WASHINGTON, Feb. 4.—Rep. Leo Allen (R) Ill., today expressed the house GOP leadership's first concrete proposal for a "graduated" tax reduction program.

Allen, chairman of the House rules committee and a member of the House GOP inner circle, came out in favor of a compromise tax reduction measure providing:

A 20 percent savings for individuals earning up to \$2,500 a year; a 17 percent cut for those earning between \$2,500 and \$5,000 annually; 15 percent for incomes between \$5,000 and \$10,000 and 10 percent for all above \$10,000.

Allen told reporters he proposed this program to Speaker Martin (R) Mass., and Rep. Knutson (R) Minn., chairman of the House ways and means committee.

The congressman estimated that his program would result in an annual saving of \$2,750,000,000 to American taxpayers. This compares with a \$3,350,000,000 saving under the Knutson 20 percent "across-the-board" tax bill for all with incomes less than \$302,000. Knutson, meanwhile, steadfastly advocated the flat 20 percent cut, and received support from Sen. Taft (R) Ohio, who indicated in public statements that he leaned toward approval of this plan.

Foresees Balanced Budget

On the economy front, meanwhile, Rep. Taber (R) N. Y., chairman of the House appropriations committee looked toward the first balanced budget in many years through the realization of \$1,000,000,000 in revenue from the sale of war surplus property by June 30.

Under revised estimates by the committee.

## Fire Threatens North Hill Home

Damage Of Around \$1,000 Done In Blaze At John U. Baer Home This Morning

Fire, which is believed to have started from a gas leak around a radiant fire type heater, built into the wall of the bathroom at the John U. Baer home at 314 East Leasure avenue, caused a loss of around \$1,000 at 8:20 o'clock this morning.

When firemen from central and second ward departments arrived at the scene it appeared as if the blaze would be more serious and a second alarm was turned in. At the same time, firemen received a call from box 22, because of an auto fire, and trucks answering the alarm had a difficult time trying to reach the scene because of bad driving conditions, the heavy snow storm having resulted in traffic snarls on the hills, which stalled the trucks.

Walls Insulated

Only the fact that the walls in the attic of the Baer home, a brick

## Plan U. S. Base In Philippines

Tentative Agreement For Program Is Reported As Completed

AIR, ARMY AND NAVY BASES PLAN

MANILA, Feb. 4.—(INS)—A draft of a tentative agreement for establishment of United States Air, Army and Navy bases in the Philippine Islands was completed today.

The draft is ready for submission to Philippine members of the joint Philippine-United States committee on base negotiations.

The proposed agreement calls for a network of American bases strung across strategic sections of the Philippines and was drafted by Philippine Vice-President Elpidio Quirino and U. S. Ambassador Paul V. McNutt.

Provisions Of Agreement

The following provisions were contained in the draft:

1. A streamlined system of naval

## Old Fashions Coming Back Paris Hints

PARIS, Feb. 4.—(INS)—Those style-conscious ladies who hope to place somewhere in the list of 1947's ten best dressed women had better beat a path to the nearest hat shop or rummage sale.

The latest word in Paris today is that fashions are going back to the turn of the century.

Legroux, designer of svelte and slinky creations for a decade, started the ball rolling at the opening of the Paris fashion season. He introduced a collection of cartwheel hats for evening wear just like the Gibson girls used to sport at college proms.

The hats were not only gigantic in circumference, but they were of

(Continued on Page Two)

## Hundred Thousand Killed In Accidents In U.S. In Past Year

CHICAGO, Feb. 4.—(INS)—The National Safety Council announced today that 100,000 persons were killed and 10 million, 400 thousand were injured in accidents of all types in the United States last year.

The council said the 1946 accident toll was 4 per cent higher than that of 1945.

It added, however, that the final 1946 figures were significant when "it is recalled that at the end of the first four months of 1946 the motor vehicle death toll alone was up 45 per cent" over 1945.

The council declared that a concerted safety program by public officials, prompted by President Truman's highway safety conference in May, materially reduced the soaring rate of traffic accidents.

One bright spot was noted in the accident picture. The council said that deaths of children in the 5 and 14 age group decreased 8 per cent.

The council attributed this decrease

## Boy Scout Week To Be Observed By County Units

Annual Meeting Of Council, With Court Of Honor, Planned For Feb. 11

Boy Scouts of America now numbering 1,980,000, will observe the 37th anniversary of the movement during Boy Scout Week, beginning Friday, Feb. 7, and closing Thursday, Feb. 13. Troops of Lawrence county will help to observe this period, it was announced by Thomas Allen, commissioner.

The week will be climaxed by a two-day dinner and annual meeting of the county council, in the Cathedral, February 11, beginning at 6:20 p. m. Each troop, pack or senior group, of which there are 48 in the county, will come as a unit to the meeting. There will be a court of honor the same evening, it was announced.

The program committee is planning a short, impressive program which will be interesting to both adults and Cub Scouts. All scouts not registered with a pack, troop or senior unit such as executive board members, district committee members and the commissioner staff, will join in family dinner.

Sunday, Feb. 9, will be known as

## Senator Challenges Selection Of Wilson

By FRANK B. ALLEN  
(U. S. Staff Correspondent)

WASHINGTON, Feb. 4.—(INS)—An Atomic committee senator today bluntly challenged the qualifications of 36-year-old Carroll L. Wilson for the "highly important" general membership of the nation's atomic interests.

The challenge was made by Sen. Johnson (D) Colo., as the committee prepared to hear Harvard President James B. Conant, who is expected to back Wilson.

Johnson expressed doubt that "Wilson has the experience or ability to step into General Groves' shoes."

Suggests Farrell

Johnson put forth the name of Gen. Leslie Groves, deputy in the Manhattan project. Gen. Thomas Farrell, as a potential appointee who he said "would have universal appeal."

The senator said that Groves "did

(Continued on Page Two)

## Two Veterans Sponsor Move For State Bonus

HARRISBURG, Feb. 4.—(INS)—Two veterans serving initial terms in the legislature today sponsored amendment proposing a \$600,000,000 bond issue for the payment of a state bonus to World War II servicemen and women.

Republican Reps. Michael Demech and William P. Kohl, of Luzerne, co-authored the measure which would embrace veterans who served in the U. S. armed forces between September 16, 1940, and August 14, 1945.

No schedule of payments was included in the proposal but both assemblymen said they favored flat maximum \$500 payments for overseas duty and \$400 for domestic service.

Under such a plan, they explained, men sent overseas, wounded and discharged within a short period receive comparatively higher payments than under proposals fixing a scale based on monthly foreign or domestic duty.

There was no indication that the measure carried administration support. Both said the "flat rate" plan would save money and clerical work.

## Industries Hit By Gas Shortage

PITTSBURGH, Feb. 4.—(INS)—Between 15,000 and 20,000 workers were idle in the Tri-State area today as a result of an acute natural gas shortage which threatened to become worse with increasing cold weather.

About 414 plants were affected in Ohio, Pennsylvania and West Virginia. Officials of three Pittsburgh gas companies said the rationing extends north to New York state, and to West Virginia, Maryland, Pennsylvania and Ohio.

Steel mills, railroads, glass manufacturing plants, refractories, and pottery works were hardest hit.

TWO SOLDIERS KILLED

YOKOHAMA, Feb. 4.—(INS)—Two American soldiers were killed and six others injured today when a U. S. Army firetruck was hit by a Tokyo-Yokohama electric train.

Fifteen Japanese passengers on the train were injured.

The dead were identified as technicians, 2d grade, Isaac Ballard, Bellevue, Md., and George R. Graca, Philadelphia, Pa.

The dead were identified as technicians, 2d grade, Isaac Ballard, Bellevue, Md., and George R. Graca, Philadelphia, Pa.

## Tension Mounts In Holy Land On New Ultimatum

British Evacuation Of Women And Children Moves Into High Gear

EXODUS BEGINS FROM LARGE CITIES (BULLETIN)

JERUSALEM, Feb. 4.—(INS)—The Jewish agency, reacting to a British seven-day ultimatum to help crush the Jewish underground, announced it took "strong exception" to the Palestine government announcement.

The Zionist organization challenged the Palestine government assertion that its recent resolution only "purported" to condemn extremist tactics, and added there was no warrant for an implication of insincerity on the agency's part.

Exodus Begins

Meanwhile, the British evacuation of 2,000 women, children and non-essential male civilians leaped into high gear throughout the Holy Land.

Promptly at 9 a. m. the mass exodus began from Jerusalem, Haifa, Tel Aviv, Jaffa and other large cities.

As tension mounted in the Holy Land—in the face of a seven-day British ultimatum to the Jewish community to help crush the Jewish underground—evacuation "refugees" swarmed through the cities.

Families Assemble

Families in Jerusalem assembled at the sports club and were shepherded into buses, taxicabs, military staff cars and even ambulances—and taken to the Sarafand army camp. Some will spend the night and possibly tomorrow there, while others will begin moving out promptly.

Most of the British women were taking the compulsory evacuation philosophically, though there were a few tearful farewells.

The children, many of whom never have seen Britain, however, were excited and generally treating the matter as a great adventure.

From the marshalling points, the

## Hundred Tons Of Ashes Used To Aid Traffic

Today's snowfall caused 100 tons of ashes to be scattered over slippery city cartways, according to James Gibson, director of streets, who stated the first fleet of ash laden trucks went into operation at 6:15 a. m. and by 8 a. m. all five trucks were required to make additional trips to slippery hills and streets.

Gibson stated that two carloads of ashes, each containing about 50 tons, were used during the day.

He pointed out there are 39 treacherous hills, both dirt and paved here, 19 of which he said are main artery hills. All had to be ashed, Gibson stated.

In addition to the 39 treacherous places are bridges and street intersections upon which cars were apt to skid, hence they, too, were ashed.

Five trucks, with a three-man crew on each, operated continuously throughout the day because the steady downfall of snow would cover a layer of ashes and a new layer had to be scattered over the streets.

## Report Sixty Persons Die In Steamer Fire

SHANGHAI, Feb. 4.—(INS)—At least 60 persons were reported to have perished today when a fire and explosion destroyed a 1,950-ton British river steamer in the harbor at Hong Kong.

Chinese language newspapers, notoriously inaccurate, reported as many as 200 killed, but this figure was discounted.

Authoritative reports reaching Shanghai said firemen found bodies of the victims piled one upon the other on the steamer deck, indicating a fearful struggle for life. Some bodies were recovered from the water.

The fire broke out on the forward deck a short time before the ship was to leave for Canton with 250 passengers aboard. The blaze spread to oil drums and subsequent explosions rocked the craft and spread flaming death among the passengers.

The vessel blazed for four hours and was charred to the waterline. Most of the passengers, including those who perished, were believed to be Chinese.

## Bevin Signs Trio Of Peace Treaties

LONDON, Feb. 4.—(INS)—British Foreign Secretary Ernest Bevin today signed the Italian, Finnish and Balkan peace treaties in a five-minute ceremony at the foreign office.

The documents will be taken to Paris for the formal signing ceremony on Monday.

James P. Byrnes, as one of his last official acts before vacating the post as U. S. Secretary of State, was first to sign the documents. He, however, did not initial the treaty with Finland as the U. S. never was officially at war with the Finns.

Soviet Foreign Minister V. M. Molotov initialed the documents last week.

## Arthur Mometer

You, hoo, Mister Groundhog, you're all tucked in, I know; you have the covers neatly tucked up and you have ice and snow. That took you on Sunday to find the winter sun has sent you back for six more weeks, the winter isn't done. And just to prove it isn't, the blizzard whizzed our way, while you are deep in winter sleep—it's just eighteen today.

## DEATH RECORD

Tuesday, February 4, 1947

Walter Elwin Swisher, 26, 712 Emerson avenue.

## High School Grads Who Enlist Now Can Get Free Education

Men Who Enroll Within Next Two Months Are Eligible For Educational Privileges

M-Sgt. Charles P. Walsh, of the New Castle Army Recruiting Station announced today that young men graduating from high school this month and next, are still eligible for educational benefits under the G. I. Bill of Rights.

If you serve honorably for a period of 90 days or more, one day of which is served before Congress officially terminates the end of the present war, you are, upon discharge, entitled to one year of education in a college, trade, or business school of your choice, for which you can qualify. In addition, each month of active duty, including the first three, prior to the termination of the war, entitles you to another month of post-service education up to 48 months.

The government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, Sgt. Wallace states. You will also receive \$65 per month living expenses if you are single, and \$90 per month if you have dependents.

Furthermore, if you are discharged because of an actual service incurred injury or disability, incurred within your first 90-day period of service, you are, upon discharge, entitled to one year of education under the G. I. Bill.

All mid-term graduates may still be eligible for this education privilege at government expense, and men interested are invited to secure full details at the U. S. Army Recruiting Office, Room 201, Post Office Building.

## Mutual Defense Pact For Americas Will Be Drawn Up

WASHINGTON, Feb. 4.—(INS)—Diplomatic observers in Washington today forecast the late summer or early autumn as the earliest possible date on which the Rio de Janeiro Conference of American Foreign Ministers can be held.

The meeting is to draft a mutual defense pact for the western hemisphere along the lines of the wartime agreement drawn up at Mexico City in the spring of 1945.

Sen. Vandenberg (R) Mich., chairman of the Senate Foreign Relations committee, has demanded an early convocation of the meeting. In his first major speech on the subject at Cleveland several weeks ago he asserted that this meeting had long been promised.

This talk stirred speculation that, in order to appease the major proponent of Republican foreign policy, the meeting at Rio might be held soon.

## Notice

Cpl. Harry L. McBride Post No. 522, Veterans of Foreign Wars auxiliary will meet in a body this evening at the Cunningham funeral home to attend auxiliary memorial services for Mrs. Belle Whiteman.

## HUNDRED THOUSAND KILLED IN ACCIDENTS IN U. S. IN PAST YEAR

(Continued from Page One)

crease to effective safety education in the schools. It was the only age group to show a decrease.

Comparison For 1946-45

The death toll from accidents was broken down as follows:

	1946	1945
All Accidents	101,000	95,918
Motor Vehicle	33,500	28,076
Home (Civilian)	34,000	33,500
Occupational		
(Civilian)	16,500	16,500
Public	17,000	16,000
Military Personnel	2,100	5,500

The over-all accident death rate for 1946 was 71.4 per 100,000 population. Only five years have had lower rates since 1900. The lowest was 65.4 in 1941.

Count figures indicated nevertheless that one of every 13 persons in the United States suffered a disabling injury last year.

Estimated economic loss from accidents last year was \$5,600,000,000—this includes wages, property loss, insurance production delays and medical expenses.

By Age Groups

By age groups the deaths were distributed as follows:

Under 5 an increase of 4 per cent in 1946; 5 to 14, a decrease of 6 per cent; 15 to 24, an increase of 12 per cent; 25 to 44, an increase of 5 per cent; 45 to 64, an increase of 5 per cent; and above 64, an increase of 2 per cent.

Falls killed 27,800 persons last year, the same as in 1945; deaths from burns numbered 10,200; deaths from drowning totaled 7,300 and deaths from firearms rose 24 per cent to 3,100.

Only two catastrophes took more than 500 lives last year. They were the Wincoff Hotel fire in Atlanta, Ga., and the LaSalle Hotel fire in Chicago.

Twelve fatal accidents brought death to 107 persons in domestic operations of scheduled airlines in 1946. The passenger death rate per 100,000,000 passenger-miles for the year, based on preliminary information, was 1.2.

This is a decrease of 43 per cent over the 1945 rate of 2.1.

For the first 11 months of 1946, the railway death toll was 3,928, a decrease of 7 per cent; passenger deaths totaled 89, a 25 per cent drop from 1945 figures.

Preliminary estimates placed fire losses for the year at \$561,000,000, or 23 per cent more than the comparable preliminary estimate for 1945.

## FIRE THREATENS NORTH HILL HOME

(Continued from Page One)

structure, had been insulated with rock wool prevented a more serious fire. The insulation prevented the blaze from spreading up under the roof of the home, and firemen were able to knock the blaze down, just as it was spreading through the attic.

Mr. Baer, in company with some friends, is enroute to Florida to visit relatives. His daughter, Mrs. Ruth Sargent, and Miss Stella Dierenderfer, who spent the night with Mrs. Sargent, discovered the blaze shortly after arising, the fire having started after the gas heater was lit. The resulting blaze spread between the partitions and up into the attic.

## Missing Convicts At San Quentin Reported Found

SAN QUENTIN, Feb. 4.—(INS)—Three convicts missing two days from their cell at San Quentin prison were found today hiding in a light well in the prison laundry.

Warden Clinton Duffy did not immediately announce full details of how the hunted men were found.

## More Louisiana Gas Pennsylvania Bound

BATON ROUGE, La., Feb. 4.—(INS)—More Louisiana natural gas—about 15,000,000 cubic feet daily—was revealed today to be going into the little inch pipeline for transmission to the Pennsylvania area.

Commissioner of Conservation Joseph L. McHugh said the department's Shreveport office reported that gas from two wells in the Chatham field, operated by the Shell Oil Company, was being piped into the little inch line.

## MARSHALL WILL EXPLAIN POLICIES TO U. S. CONGRESS

(Continued from Page One)

States, Great Britain, Russia and France meet next month.

He emphasized that the committee, despite the change in its political complexion, desired to cooperate with the State Department and continue bi-partisan support of American foreign policy.

Eaton stated: "Marshall will tell us what he wants us to do and we'll tell him what we want him to do."

In Closed Session

The committee was expected to hear Marshall in closed session. Eaton has conferred with Marshall informally on several occasions since he became chairman. The committee recently voted to make a "detailed study" of the State Department and its activities.

While Eaton was busy expressing the friendliest of sentiments toward the State Department, criticism was forthcoming from another source.

Rep. Taber (R) N. Y., chairman of the House appropriations committee, disclosed that he has filed a complaint with the State Department over the use of American relief funds by UNRRA to purchase surplus Army transport planes.

Purchased Planes

Taber said the United Nations Relief and Rehabilitation Administration had purchased the planes to carry relief supplies in China. Taber said he did not know what, if anything, his committee would do, but added:

"I told them (the State Department) not to do it again."

Rep. Ritzler (R) Okla., already has announced that an investigation of the transaction will be made by a House executive expenditures sub-committee, which plans to study surplus property disposal. Ritzler is chairman of the group.

## Cindering Crews Busy On Highways

Fred Martin, county superintendent of the state highway system, reported this morning that every available truck in the department was out on the highways of the county cindering the roads to keep them passable.

At that time, Mr. Martin reported that the roads were icy and that the department was doing everything possible to keep traffic moving on the hills.

Before the snow plows are put in operation, at least one to two inches of snow must cover the roadways to make their work effective. The situation was being watched and the plows would be on the roads as soon as conditions warranted it, it was stated by Mr. Martin.

## BYRD IN SENTIMENTAL VISITS TO OLD CAMPS

(Continued from Page One)

shift journey as compared with the modern transport flexibility of more recent missions to the pole.

Old Camp 10 Miles Dist.

The distant camp is some ten miles from the present Little America tent city, emphasizing how the shifting ice surging under the barrier have slowly compressed the Bay of Whales. In those days Little America was practically at the rim of the bay—now it is well over an hour's trek, even in the relatively fast weasel.

Meanwhile, generally adverse weather conditions blocked all aerial operations of all task forces. The outlook of the central group was termed "bad" by Rear Adm. Richard H. Cruzen, though the eastern group was on the move toward the east again, looking for better flying conditions.

## FIRST PROPOSAL ON GRADUATED TAX CUT IS EXPRESSED

(Continued from Page One)

gressional tax committee experts, the current budget will result in a \$1,000,000,000 deficit for the 12 months ending June 30, instead of the \$2,300,000,000 deficit forecast by President Truman.

Democrats in both the Senate and House issued warnings against Republican cuts which would endanger national defense.

House debate indicated sharply divided opinion on the form which any tax cut should take, and forecast an acrimonious fight when the reduction measure finally reaches the floor.

## Deaths Of The Day

Walter E. Swisher  
Walter Elwin Swisher, aged 26 years, of 712 Emerson avenue, died Monday at the Veterans hospital, Whipple, Ariz., after an extended illness. If he had lived until February 19 he would have observed his 27th birthday.

Mr. Swisher, son of Mr. and Mrs. Harold W. Swisher of 712 Emerson avenue, was born February 19, 1920, in North Beaver township. After graduating in June, 1938, from Mt. Jackson high school and in June, 1939, from Cleveland College of Embalming, he became a licensed embalmer of Pennsylvania.

The deceased, a member of Mahoning Presbyterian church, was honorably released from the U. S. navy in 1944 after serving with the rating of pharmacist's mate 3-c.

Survivors in addition to his parents include his widow, Mrs. Frieda Gill Swisher, and his grandparents, Mr. and Mrs. I. E. Swisher of New Castle, R. D. 7.

## Deaths Of The Day

Walter E. Swisher

Walter Elwin Swisher, aged 26 years, of 712 Emerson avenue, died Monday at the Veterans hospital, Whipple, Ariz., after an extended illness. If he had lived until February 19 he would have observed his 27th birthday.

Mr. Swisher, son of Mr. and Mrs. Harold W. Swisher of 712 Emerson avenue, was born February 19, 1920, in North Beaver township. After graduating in June, 1938, from Mt. Jackson high school and in June, 1939, from Cleveland College of Embalming, he became a licensed embalmer of Pennsylvania.

The deceased, a member of Mahoning Presbyterian church, was honorably released from the U. S. navy in 1944 after serving with the rating of pharmacist's mate 3-c.

Survivors in addition to his parents include his widow, Mrs. Frieda Gill Swisher, and his grandparents, Mr. and Mrs. I. E. Swisher of New Castle, R. D. 7.

The body will arrive here on the B. & O. railroad Friday morning at 7:30 o'clock, when it will be removed to the Mahoning funeral home, West Madison avenue, where funeral services will be conducted Saturday afternoon at 2 o'clock with Dr. John Orr of New Wilmington officiating.

Friends will be received at the funeral home Friday afternoon from 2 to 4 o'clock and that evening from 7 to 9 o'clock.

Funeral services for Mrs. Mary E. McKissick, Scott township, were held from her residence Monday at 2:30 p. m., Rev. M. G. Munn in charge, assisted by Rev. Fulton.

Pallbearers were James and Donald Rice, Mont McConnell, Harvey Spiker, Clyde Moore and Clark Drake.

Selections were sung by a quartet, Rev. Fulton, Mrs. M. G. Munn, Mrs. William Elliott and Charles Elliott, with Mrs. Ray Foster as pianist.

Interment was in Plaingrove U. P. cemetery.

Mrs. Domenick Funeral Time  
Requiem mass for Mrs. John Domenick, Moravia street extension, will be Wednesday at 9 a. m. in St. Vitus church, with interment to follow in St. Vitus cemetery.

The body is at the residence, where friends may call.

Mrs. Kovach Funeral  
Funeral services for Mrs. Mary Kovach, 11 Tremont street, were held from the J. R. Noga funeral home this morning at 9 o'clock followed by a requiem mass in St. Michael's church at 9:30. Rev. Fr. William Pisarik in charge.

Services were largely attended, and in a body were the Rosary society and the Third Order of St. Francis of Assisi, of which the deceased was a member.

Pallbearers were John Lenhart, Sr., Michael Knis, Sr., Louis Heidal, Adam Ruka, Michael Wasilen and Joseph Witkowski.

Interment was in St. Joseph's cemetery.

Litterini Funeral  
Requiem mass for Louis Litterini, R. D. 6, was offered this morning at nine o'clock in St. Joseph's church, Rev. Fr. Francis Streiff in charge.

Order of Moose members attended in a body and also the Slovene Beneficial society.

Pallbearers were: James D. Cross, David Durbin, William A. Rountree, Nick Takovitch, Frank Simperman and Andrew Litvinovich.

Rev. Fr. John M. Unger conducted the committal service in St. Joseph's cemetery.

## Fire Chief Thomas Again In Hospital

First Assistant Chief George W. Harper Also Confined To Home By Illness

Fire Chief James E. Thomas, of East Long avenue, has entered the New Castle hospital, where he will undergo an operation this week, in an effort to regain his health. Chief Thomas has been ill for several months.

Assistant Chief George W. Harper, of Young street, is also confined to his home, having reported off ill over the weekend.

Second Assistant Chief Wilmer H. Hawk, is now in charge of the department. He has just recovered from the effects of an infection of the nose, which hospitalized him for several days last week.

## TRIAL NEAR END

PITTSBURGH, Feb. 4.—(INS)—Final arguments in the murder trial of Charles Wickline, 16-year-old AWOL soldier, were expected to be presented to a jury of six men and six women today or tomorrow.

Charles is charged with slaying his younger brother, Sherill, 14, at a breakfast table argument last Nov. 10.

Charles has claimed the shooting was accidental.

## Chester Tobin At Woman's Club Talks On Role Of Middle East

Speaking to the Woman's club at its February meeting Monday afternoon in the Highland U. P. church, Chester Tobin made clear the importance of Turkey in the international scene due to its strategic location as the country where Europe and Asia meet.

An audience of nearly 300 members heard his address on "Russia and Britain in the Middle East." It was to coach Turkey's athletic teams for participation in the Olympic games that Mr. Tobin first journeyed to Turkey and he spoke in the cause of better international understanding from years of residence in Turkey and visits to Geneva, scene of the League of Nations.

As background he sketched the rise of modern Turkey under Atatürk. He explained the country's historic political ties to Russia, and the diplomatic alignments and economic considerations that determined Turkey's role in World War I and its position in World War II when internally its new government, modeled by Atatürk on the

dynamic ways of the west, was another factor in its role.

"We must lead the world to try to find the peace before another war is upon it. We have a decade, or a decade and a half. The challenge is before us. We must find the way and the United Nations is the framework." These were the speaker's concluding remarks.

Mr. Tobin was introduced by Mrs. William J. Caldwell, program chairman. Opening feature of the program was instrumental trio music by Miss Lois Baum, pianist; Miss Eleanor Lutton, violinist, and Tom Wynd, cellist.

Mrs. J. Edward Everett presided over business during which the club voted to make a collection of school supplies to be sent to children in foreign countries through the efforts of UNRRA. Members will take suitable articles to the next meeting of the club.

For the nominating committee, Mrs. J. W. Valentine reported.

Next meeting will be March 3 when Honorable Philip F. LaFollette will be the speaker.

## "FOOD" TOPIC FOR READING CIRCLE '91

"Food" was the keynote of the Reading Circle of 91's program presented Monday afternoon in the rose room of the Y. W. C. A. with Mrs. James Morgan as hostess.

In answer to roll call the response was a "A Food Export."

Both excellent and of much interest to the group were the papers presented, one entitled "Live on the Farm and Like It" by Mrs. C. D. Updegraff and the other, "Filling the World's Food Basket" by Mrs. T. C. Boston. The former was based on the book "Pleasant Valley" by Louis Bromfield. Group discussion followed.

During business, with first vice-president Mrs. Floyd Smock presiding, plans were announced for the mid-winter party to take the form of a 1 o'clock luncheon on February 17 in the coral room of The Castleton.

## LOIS M. RINGER WEDS IN CHURCH

Assistant Postmaster and Mrs. Ira A. Ringer, of Adams street, announce the marriage of their daughter, Lois M. Ringer, to Samuel G. Joseph, son of Mr. and Mrs. George Joseph, of Butler. The single ring ceremony was performed by Dr. J. Paul Graham in the Third United Presbyterian church on February 3 at 2:30 in the afternoon.

The bride wore a pearl grey suit with black accessories and her corsage was a single orchid. She was attended by her only sister, Miss Kathryn Ringer; and Daniel Joseph, of Butler, served his brother as best man.

After a wedding trip to New York City the couple will take up residence at their apartment on Corporation street, Beaver, Pa.

Mrs. Joseph is a graduate of New Castle high school and Slippery Rock State Teachers College. She also attended Pennsylvania State College. She is presently employed as a teacher in Freedom Junior High school. Mr. Joseph graduated from Butler High school and is employed as a railway mail clerk.

## GROUP 3 PROGRAM MONDAY EVENING

Group 3 of the Women's Society of Christian Service of Epworth Methodist church was entertained Monday evening in the home of Mrs. Russell P. Rhodes, 2212 North Mercer street, for a worship and study program. Associate hostesses were Mrs. A. E. Lutton and Mrs. George Reid.

"Building the Church of Tomorrow" was the theme of the worship period in charge of Mrs. Willard Jones. Three appropriate solo selections were sung by Miss Florence Thompson.

In the first part of the program, "Children of the World," members Mrs. Norman Clark, Mrs. Ray Bishop, and Mrs. Rhodes took part. For the second part, on India, Miss Garnet Crane was the speaker. Mrs. Arthur Armstrong was chairman.

First chapter of the study book on India, "Behind Mud Walls," was reviewed by Mrs. George R. D. Braun.

During business, Mrs. Mabel Davis presided, stressing the importance of World Day of Prayer, February 28, and appointed two members to the membership committee of the W. S. C. S. Mrs. Charles Miller and Mrs. Norman Clark. Outline for the year's supply work to be sent to Nome, Alaska, was given by Mrs. J. M. Edwards.

Next meeting will be March 3 in the home of Mrs. Harry McCurdy, 210 Garfield avenue.

## ANNA MAE CORBIN AFFIANCED TOLD

Announcement is made of the engagement of Miss Anna Mae Corbin, daughter of Jess Corbin of Portersville, to Stacy L. Pope, son of Mr. and Mrs. William Corbett of 4320 Aldine street, Philadelphia.

Miss Corbin, who attended Union high school, makes her home here with her aunt, Mrs. W. F. Bowman, of 14 East street. She is employed as an operator for the Bell Telephone company.

Her fiance, a veteran of six years service in the Navy, is employed at the Philco radio plant in Philadelphia.

No date has been set for the wedding.

## S. E. B. CLASS MEETS AT MCKNIGHT HOME

Mrs. Burr McKnight, Glenmore boulevard, was a pleasing hostess, Monday evening, when members of S. E. B. class of First Methodist church met at her home with a good attendance.

Meeting was in charge of the president, Mrs. W. A. Hoffmaster, with Miss Sara Weaver conducting the devotional period. Her subject was "Democracy."

A social hour ensued and later a dainty luncheon with Valentine suggestions was served by the hostesses, Miss Viola and Sara Weaver.

Next meeting will be at the home of Mr. Helen Weaver, 109 Fairfield avenue, on Monday, March 3.

Gayle Domke, Honoree

Mrs. Herman Domke of 840 Alameda avenue entertained a group of small friends at a party Saturday afternoon in honor of the sixth birthday of her daughter, Gayle.

Beverly Thompson, Bonnie Wyman, Jane Weinberger and Georgia Lee Dean were awarded prizes for games. After Gayle opened her array of attractive gifts, Mrs. Joan Thompson aided her mother in serving a birthday lunch.

Rose Rebekah Lodge

Emeline Rose Rebekah lodge will meet for a regular business meeting Wednesday evening at 7:45 o'clock in the I. O. O. F. hall. The social time which was planned to follow has been postponed to a later date.

## BETTE WIGTON TO BE SUMMER BRIDE

Mr. and Mrs. Frank L. Wigton, of the Zellenopole road, Ellwood City, announce the engagement of their daughter, Bette Jean Wigton, to Charles Livingston, of New Wilmington.

An early summer wedding is planned.

Miss Wigton, a graduate of the Ellwood City high school, is employed as a beautician in Helen's Beauty Shop, this city.

Her fiance, son of Mr. and Mrs. Charles B. Livingston, was graduated from New Wilmington High school. He served 3½ years in the army, 31 months of which he spent in the South Pacific. He is now employed at the Youngstown Sheet and Tube company in Campbell, O.

## GILFILLAN'S HOSTS TO LOCKHART CLASS

Mr. and Mrs. J. Clyde Gilfillan, 414 Glenmore boulevard, were pleasing hosts to members of the Lockhart Bible class of the First U. P. church in their home Monday evening.

Present at the informal gathering were 41 members and friends of the class, who joined in numerous games and other social pastimes. Prizes were awarded to winners of the various games and contests.

At the conclusion of the occasion, Mrs. Gilfillan was assisted in serving by her mother, Mrs. Donald Sloan, of Bellevue, Pa., and by Mrs. Charles McNickle, Mrs. H. D. Hanna, Mrs. J. J. Fishburn and Mrs. Thomas Nelson.

The March meeting will be the annual election of officers, with Mrs. J. J. Fishburn of Sumner avenue entertaining the class.

## MARY LOU SADLER WEDS K. L. TEBAY

Mr. and Mrs. Robert Sadler of Laurel boulevard announce the marriage of their daughter, Mary Lou Sadler, to Kenneth L. Tebay, son of Mr. and Mrs. C. L. Tebay, Northview avenue.

The wedding was an event of December 14, 1946, and was performed by Alderman H. M. Reynolds, Youngstown road.

Both Mr. and Mrs. Tebay are graduates of New Castle high school. Mrs. Tebay is employed at the Pennsylvania Power company, while her husband works for the Chambers Motor company.

Friendship Club

Mrs. T. Perry of 743 Butler avenue will entertain the Friendship club Wednesday evening in her home.

Reunited Ladies League

Reunited Ladies league will meet at a tea room on West Washington street, Thursday evening at 8 o'clock with Mrs. Carl Nolte as hostess.

W. C. B. Class To Assemble

W. C. B. class of Wesley Methodist church will be received in the home of Mrs. Bessie Rech, of 319 Norwood avenue, Wednesday evening, February 5, at 8 o'clock.

## Wins Beauty Award

MISS NORMA CUNNINGHAM

Miss Norma Cunningham, teenage daughter of Mr. and Mrs. J. Clyde Cunningham, of R. D. 1, has been chosen by Billy Daniels, dance director for Paramount Studios, not only as the most photogenic pupil from the Jean Bartosh School of Dancing in New Castle but as the most beautiful girl from the entire state of Pennsylvania from among photos submitted by the Photo Screen Guild in Hollywood, Calif. it is announced.

She and her dancing partner, Alice Mayberry, are known professionally as the Mays Sisters. Binky and Bonny Norma is 5'3½" tall, weighs 104 pounds. She is a

brunette with brown eyes, reddish brown hair. Her measurements are: bust 34, waist 24, hips 34.

For the past four months, pupils of the School of Dancing here have been sending in their pictures to the Photo Screen Guild in Hollywood, Calif., where the pictures are registered and classified for the motion picture studios and talent scouts to see.

During the past month the pictures sent in have been at Paramount studios where Billy Daniels, one of Hollywood's leading dance directors, has been going over the entries to select the one he considered the most photogenic pupil.

Officers

Officers, presented by Mrs. L. A. Balph, chairman of the nominating committee, and elected for the ensuing year follow: president, Mrs. Samuel G. Staats; first vice president, Mrs. E. P. Henderson; second vice president, Mrs. Russell Tait; secretary, Mrs. E. L. Thompson; treasurer, Miss Elsie Grier, thank-offering secretary, Mrs. F. L. Burton; temperance secretary, Mrs. J. A. Hewitt; Highland King's Daughters' sponsors, Mrs. Glenn Throop and Mrs. Mendal Smith.

Mrs. Harold Sampson, program chairman, introduced Mrs. L. G. Freeman and Mrs. James L. Vogan, who cited personal experiences they have had in racial problems while doing social service work, and also gave excellent resumes of books dealing with that subject, "Know-Then Act," by Margaret C. McCulloch, was reviewed by Mrs. Freeman, while Benjamin E. Mays' "Seeking To Be Christian in Race Problems," was summarized by Mrs. Vogan.

Mrs. W. Anson McKee was leader of devotions. Mrs. Staats gave some pertinent facts about the selling of cigarettes and alcoholic beverages.

A tray lunch was served by Mrs. Glenn Throop, Mrs. Dean Staley, Mrs. Henry Stone, Mrs. Samuel G. Staats, Mrs. Arthur Sampson and Mrs. Dorothy Gormley Smith, hostesses.

Mrs. Robert G. Dickson will receive the group in her home, 301 East Sheridan avenue, Monday evening, March 3.

W. B. A. REVIEW

NO 98 TO INSTALL

Women's Benefit Association Review No. 98 during a short business meeting in the I. O. O. F. hall Monday evening completed plans for a trip to Ellwood City on February 12 to install officers.

It was decided to change the date of the Review 98 installation from February 17 to March 3. There will be drill practice Sunday afternoon at 2 o'clock.

Next regular meeting will be February 17.

AUXILIARY PLANS VALENTINE DANCE

Members of the King Humbert society auxiliary met in their hall on Division street Sunday afternoon.

New members were initiated into the organization by the president, Mrs. Rosy Rozzi.

Plans were made for a valentine dance Tuesday evening, Feb. 11, at eight o'clock in the hall. Mrs. Mary Ross, chairlady, assisted by Mrs. Elizabeth Cipro, is in charge of arrangements.

Stone-DeMarco

Miss Laura Stone and Attilio De-Marco, both of this city, were married at a ceremony performed January 25 by Alderman Margaret M. Orres in her office on West Washington street.

Mr. and Mrs. Orlando Stone attended the couple.

W. C. B. Class To Assemble

W. C. B. class of Wesley Methodist church will be received in the home of Mrs. Bessie Rech, of 319 Norwood avenue, Wednesday evening, February 5, at 8 o'clock.

In the British steel industry there are an unusually large number of rolling mills, but adoption of the high-speed continuous strip mill has been slower than in the U.S.A.

### Biggest Drivers' License Year

Most Pennsylvania motorists have now received their 1947 drivers' licenses and should give deep and earnest thought to the announcement at Harrisburg that the Commonwealth has issued more of these permits to operate a car for this year than at any time in its history.

A most important fact about the Nation's terrible record of automobile accidents is that a huge percentage of highway deaths and injuries are due to the faults, errors and failures of "the man at the wheel." Mechanical breakdowns, of course, play their part, serious enough. But in addition to that vicious menace, the drunken driver, it is the incapable, the thoughtless or reckless motorist who is responsible for an enormous number of automobile accidents.

If this is a "banner year" in issuance of drivers' licenses, it is not likely to be a happy one unless more individual motorists realize that the little card they have received from Harrisburg is not a license for wild, careless or foolish operation of cars.

If too many fail to do so it will be only a short time when the state may have to impose more severe requirements than at present before a license to drive can be obtained by an applicant.

### Thomas A. Edison

It is a good thing to remember that the wonderful electric development which the United States has enjoyed, and where electricity is in more universal use than anywhere in the world, was brought about by the courage and initiative of individuals.

In recognition of one man who did more to provide electric service for the world than any other, the Thomas A. Edison Centennial will be celebrated throughout the country February 11, by electric power companies, professional societies, electric leagues, and other business, civic, and educational organizations.

It is no exaggeration to say that Thomas Edison made possible more appliances to lighten work and provide amusement than any other individual. After Edison conceived an invention, industry pioneered the way in making its use practical and economical for the average citizen. It would be impossible to estimate the benefits flowing to mankind as a result of Edison's imagination. The ramifications of the use of electricity after his perfection of the incandescent lamp in 1879 are too varied to enumerate.

The Edison Centennial is a fitting tribute to the man who made electric service for the world possible. By the same token, it reflects credit on the individuals and companies who provide electric service at a reasonable cost.

The record of Edison's achievements is a testimonial of what the United States stands for—opportunity—no limit on the exercise of talent and initiative.

When you turn an electric switch on February 11, play your phonograph, see a motion picture, or enjoy any one of the countless uses of electricity, pause a moment and think of Thomas Edison, a typical American who made these things possible.

### No Change In Policy

It has never seemed the least likely that Secretary of State Marshall would abandon the atomic control policy developed by Bernard M. Baruch and fully supported by Secretary Byrnes. Nevertheless, since the retirement of Baruch and Byrnes there have been persistent efforts to persuade the public that the United States would be just as well off with various other plans.

These efforts usually took the plausible form of suggesting that there was no need to argue with Russia about the veto because individual nations already possess the right, under Article 51 of the Charter, to act in self-defense if they are attacked.

Actually, Baruch had taken this provision into consideration when he insisted so strongly that enforcement of atomic controls must not be subject to the veto of any one nation. He foresaw that to rely on Article 51 would be to fatally weaken the United Nations by bypassing its authority on the most crucial of issues.

It is reassuring, therefore, to have the flat statement of Warren R. Austin, United States delegate to the United Nations Security Council and the United Nations Atomic Energy Commission, that this nation's international atomic control policy remains unchanged and that Washington is ready to proceed with disarmament discussions.

This announcement followed Austin's first lengthy conference with the new secretary of state and should end any gossip that American policy is in a state of flux. Austin saw fit to add that "No country on earth is more devoted to the cause of disarmament—meaning disarmament of all kinds—than the United States." The record bears him out though the Russians, for reasons of their own, have seen fit to impugn American motives.

Remember the old-fashioned man who wore long underwear and the old-fashioned woman who wore some underwear?

The fellow who used to say that he wanted whole hog or none is now generally willing to settle for a pound of bacon.

Of course, if Atlanta were the capital of Russia there would be no danger of her ever entertaining two contesting governors.

Georgia has two Democratic governors and two bitter Democratic factions. But still we doubt whether the state will go Republican in 1948.

The quaint suggestion that man might have made greater progress if he had not been so well equipped for sitting down is now advanced by an economist.

### You're Telling Me

By WILLIAM RITT  
Central Press Writer

"How about an emblem for the United Nations?" asks an editorial. Zadok Dumkopf comes up with the first suggestion—a pair of lovebirds.

Fat people, we read, are usually in a jolly frame of mind, except, of course, just after they've stepped off the scales.

There's a drive on to improve radio. Well, a good start has already been made. They no longer broadcast these hog and husband-calling contests.

Atom smashing is fairly new but hair-splitting is as old as the first political speech.

Most radio commercials, says Grandpappy Jenkins, are really just boast-to-boast broadcasts.

Watermelon juice can now be converted into vinegar. Science just does not seem to know when to leave well enough alone.

Junior, who is an ice cream addict, now wants to live in California. He's just learned that state has 43 varieties of cone-bearing trees.

## WASHINGTON CALLING

by MARQUIS CHILDS

### Atomic Knowledge Has Bred Suspicion

WASHINGTON, Feb. 4.—When Adam ate of the fruit of the tree of knowledge, man's troubles began. From that moment, fear and suspicion bedeviled the once innocent dwellers in the Garden of Eden.

Something like that first fear and suspicion have come out of our knowledge of how to split the atom. In the hearings into the confirmation of David E. Lilienthal to be chairman of the Atomic Energy Commission, you could almost feel the fear and mistrust which hung over the men who sat around the green baize table. It was oppressive and deeply troubling.

**Feeds On Suspicion**  
Suspicion feeds on suspicion. It is an appetite that grows with feeding. That is one of the tragic aspects of Canada's discovery of a Soviet espionage network reaching into government departments and the military services.

A correspondent has written pointing out that in the first reaction to discovery of the spy network, the Canadian government clapped the suspects into jail and held them incommunicado for questioning and cross-examination by a Royal Commission. The correspondent enclosed an editorial from the Montreal "Daily Star" commenting on the acquittal of one of the six defendants.

"But public opinion never approved the extra-judicial methods employed, and its instance in this respect is being proved steadily more sound. Due processes of law exist, the observance of which are vital to maintenance of our tradition of justice and the protection of the liberty of our citizens. These were discarded in favor of methods which were identical in principle, if less brutal in practice, with those of the German Gestapo and the Russian OGPU."

"Fortunately the victims of this procedure were eventually brought into court, where the case against them was placed under scrutiny of our normal system of justice. There the whole was carefully sifted from the chaff, resulting in the conviction of some and the acquittal of others. But it sharply raises the question why, from the very beginning, the same methods were not employed."

**Answer Obvious**  
The answer to that question is, it seems to me, fairly obvious. The answer is: FEAR. Under the circumstances, it is not hard to understand why fear should have been the first reaction.

From June of 1941, Canada and Russia had been allies. Canada had sent enormous supplies of food and armaments to the Soviet Union. In addition, private citizens had sent substantial relief to the Russian ally. Then, suddenly, just at the war's end it is discovered that Russia has been hiring spies to ferret out Canada's strategic secrets. It is small wonder that, in the first reaction, the suspects were held in jail contrary to the basic guarantees of Canadian law.

After all, there was a practical reason for secrecy and haste. That must be said even though it may not excuse the action of the Canadian government. Although the Canadian government moved quickly, one of the principals in the plot, Sam Carr, disappeared into the Communist underground and is believed eventually to have reached Moscow.

**Minimize Action**  
There are those who minimize the action of the Soviet Union by saying that, in any event, all nations have spy systems and it was merely bad luck that the Russians happened to get caught. No other nation, however, has a spy system like that of the USSR. As the Canadian report makes clear, Canadian Communists and fellow-travelers felt themselves obligated to serve the Soviet espionage ring despite the fact as Canadian citizens they accepted the rights and privileges of a free society. They were a kind of Trojan Horse within Canadian democracy.

Much of the information obtained by the Soviet agents, the Soviet embassy in Ottawa could have had by asking the Canadian government. That is the saddest commentary of all on the whole sorry mess. It suggests that the Russians are afflicted by the habit of intrigue to such an extent that they prefer the devious method to the open.

Two things seem to me terrifyingly clear. First, unless we in America achieve rational civilian control over this new force, we are likely to lapse into a military dictatorship; second, unless international suspicion are overcome, the danger of a war of infinite destructiveness will grow greater. The fruit of this tree of knowledge will not be denied.

## Just Folks

By EDGAR A. GUEST

**WINTER**  
This is the weather.  
The rich run away from  
And gather together  
In comfort to stay from.

A north blizzard blowing,  
Roots iced-dripping,  
The street traffic slowing,  
Pedestrians slipping.

The mercury falling,  
The milk bottles frozen,  
The car engine stalling,  
And chilblains the toes on.

Winter! the season  
The rich pack and hike it,  
But which, for good reason,  
The poor stay and like it.

(Copyright, 1947, Edgar A. Guest)  
The "leaders" lost the election for the New Deal, says Jimmy Roosevelt. Mebbe so. But it looks like the people won it.

## Problem Child Grows Up!

## One Man's Opinion

By WALTER KIERNAN

(Distributed By International News Service)

The bigger and brighter post-war world never looked bigger and brighter than today.

For instance Gil Dodds, the runner, says he runs "to keep ahead of the devil" . . . now we know that anything under 4:09.2 for the mile will leave Satan far behind.

In Washington, Sen. Ellender has introduced a "clean politics" bill . . . it has an excellent chance of passage if not defeated by dirty politics.

Then there is a new gun which shoots doughnuts . . . a positive indication to the world that we are for peace with coffee on the side.

However, there is some question as to whether the Salvation Army can use the doughnut gun without being classified as a combatant in the next war.

As if there were not enough good things, the head man of the merchant tailors says all we men need to pep us up is red suits.

## LOOKING AT LIFE

By ERICH BRANDEIS

Here is a suggestion for something to do when you have a little spare time and don't know what to do with yourself.

Try it some time, it's fun.  
Take your dictionary, open it at any old page and study the definition of words.

It will not only help you with your crossword puzzles, but it will show you how little you know about your own language.

I do it often, when I am too tired to read a book or when I am fed up with the radio, or when my wife has company downstairs that bores me.

That happened last night. So I went up and took my dictionary off the shelf.

It opened to page 840:  
Religiosity: The manifestation of devotion to religion; godliness.  
Religiosity: Religiosity when excessive or affected.

There, in those two definitions, was the answer to a problem that had been puzzling me for a long time.

A few months ago I wrote several columns on religion and received a flood of letters, many of them so vicious and reviling that I pledged myself not to write any more on the subject.

Quite a few of the letters quoted at length from the Bible. There were enclosures of religious pamphlets, and Bible passages were even scribbled on the envelopes.

There were others, of course, short ones, that approved of what I wrote and agreed with me that unless religion be really part of your life it can do you no good. But the kind and understanding, you have missed its function altogether.

But it was only last night, when

Colossians 3:23, 24.

## From Me To You

By MESEALL

Well what will it be . . . at the time we sit down to write . . . it's snowing . . . but there is nothing much any of us can do about it . . . so let's change the subject.

Remember back 18 months . . . and back further than that . . . the talk that was going around how our lives would be in the post war age. Oh but it was nice . . . some of the prognosticators stood right up on their hind legs and shouted forth about the all new world we would be living in . . . how, by just pushing a button all your work would be done for you? Remember those comments and promises.

Of course we knew that some of the so-called promises would not come to life . . . they were just out of this world . . . but it was and still is fun to think about the many new developments that will be on the market . . . but not next year or the year after . . . but maybe ten years from now. Your 1947 motor car is not a great deal different than the 1946 model . . . and that car was just a wee bit brighter than the 1942 style.

Kaiser said he would in the post-war age . . . bring out a car of all plastic . . . light motor . . . operate on 100 octane gas . . . but his car today is a beautiful all-steel model and you can drive up to any gas station and buy fuel to make it operate efficiently.

Probably the most disappointed people are those who were waiting for the new plastic houses . . . or all ready to live in houses . . . That idea is not taking form like some of the prognosticators thought it would. Although the style of houses has changed and will continue to change . . . people still like a little individuality in their house just like a ladies' dress.

Kitchen gadgets have made some progress . . . automatic stoves of course were with us before the war . . . but in the laundry that has taken its place in the kitchen . . . we now find an automatic clothes dryer. Now if we could just find some way to not get our shirts dirty.

## The Parent Problem

By Garry C. Myers, Ph. D.

### DON'T ROCK BABY AT BEDTIME

It's about the easiest thing you can imagine for a mother to rock the baby to sleep at bedtime or when he awakens during the night. Or for the mother of the child over a year or so of age to lie down beside him at bedtime or let him sleep with her or let him crawl into bed with her when he awakens at night.

These practices naturally grew with many a young mother while her husband was in the armed forces. She may have felt very lonely. She may have had to live in crowded quarters, especially with her relatives. Dreading to allow her child to disturb them with crying, she naturally would try almost anything for temporary quiet. She overlooked, of course, the fact that a little necessary crying, in relation to good training, can easily prevent far more crying later.

**To Much Affection**  
Then some mothers, especially of the intelligentsia, have supposed that the emphasis in lectures and literature by many experts, on the need of giving the young to abundant affection, must mean that they would bestow this affection indiscriminately. Of course, the child needs abundant affection, cuddling, even some rocking, but he should have such at times other than in connection with his going to bed or waking in the night.

Now when you rock a child to sleep, he may awaken readily when put down. While you are rocking him or lying beside him, every time he moves the least bit he has your support. His mere touch of you may suffice to enable him to go quickly back to sleep.

### Touch Of Covers

When he falls asleep alone the touch of his bed or covers can supply the same comforting support. But when accustomed to go to sleep in your arms or snuggled close to you in bed, his slightest stir can

## The World and the Mud Puddles

### "A LUCKY NUMBER"

Former Secretary of the Treasury Henry Morgenthau, Jr., following the literary trend of Mrs. Roosevelt, Son Elliott and Madame Perkins is bringing out a huge volume of memoirs of the New Deal, based on a voluminous personal diary. Jonathan Grossman of City College, New York, who is editing the material for publication, recently gave the American Historical Association a sort of preview of the contents of the forthcoming book. Some of its revelations will shock and amaze everybody but the king-can-do-no-wrong Roosevelt fanatics.

A striking example of the insouciance with which the late President met the gravest responsibilities of government, Mr. Morgenthau relates how the price of gold was finally fixed under the Roosevelt program to resist deflation. Prior to the advent of Mr. Roosevelt in the Presidency, as is well known, the price of gold had been fixed at \$20.67 an ounce. The Rooseveltian economists insisted that raising the value of gold would be a simple antidote to deflation by creating a counter-inflation. The first move, according to Mr. Morgenthau, was to boost the price of proclamation to \$39 an ounce. Congress first had been ordered to "invalidate" the "gold clause" in government and commercial bonds, as well as in private contracts, to the loss and confusion of everyone holding securities, trusts, life insurance policies, etc. It was the repudiation of the "gold clause," by the way, which aroused bitter criticism from Sen-

(Continued on Page Nine)

## What People Say

(By International News Service)  
WASHINGTON — Senator Walter F. George (D-Ga.) urged that the government work for the government who are mostly killing time. People are getting tired of paying the taxes to keep them going."

MIAMI BEACH — Nikolai V. Novikov, Russian ambassador to the United States: "The friendship of our peoples, which played such an important role in the achievement of victory over the common enemy, can and must play a far greater role now in time of peace, when mankind is laying the foundation for a universal, durable peace."

BALTIMORE — Senator Millard Tydings, (D-Maryland): "It is perfectly obvious to informed people in each country that both the United States and Russia are extending their bases and building up their defenses in the Arctic with an eye on possible conflict in the future."  
WASHINGTON — James Forrestal, secretary of the navy: "We must maintain adequate military and naval strength to implement our national policy, for if we reduce our strength we lessen our security and weaken our effectiveness for peace in the world accordingly."

## Hints On Etiquette

Wedding gifts should be sent early, as soon after receipt of the invitation as possible. Only the card of the donor is sent with the gift. Cards on wedding gifts should be removed before the gifts are displayed.

## Words Of Wisdom

So to act that your principle of action might safely be made a law for the whole world.—Kent.

## Washington Reports

Commerce Committee Tackles Maritime Problems  
Miners Federal Employees? Question Baffles Industry  
Plan Housing Regulations To Protect G I's

(Special to Central Press)

WASHINGTON, Feb. 4.—The Senate commerce committee, with a sub-committee hearing on air safety already under way, now is ready to go into maritime problems.

Aviation hearings were set up after the whole committee heard James M. Landis and other Civil Aeronautics board members explain CAA's problems and point out that the airline safety record in 1946 was better than ever before.

Senator Albert Hawkes (R) of New Jersey said the maritime commission has legislation it wants passed and said discussion with the committee will clarify the problems—which are principally financial.

Senator Owen Brewster (R) of Maine said he believes the whole Merchant Marine faces money dangers because of the prospective discontinuance of war-time subsidies.

An unusual problem has arisen in coal mining areas over federal seizure of the soft coal industry. The miners are as confused as everyone else about whether they are federal employees.

Government lawyers told the Supreme court that miners are government workers "for some purposes" and that for other purposes they are not.

United Mine Workers' attorneys contend the seizure was a "paper" transaction. The union says that private operators still pay the workers' wages, pay the taxes and take the profits from the operation of the mines.

Here is the rub: Many miners think they are government employees and hence entitled to the 30-day sick leave of federal workers. They've been writing to union headquarters about it, but headquarters is also confused about the situation. It is a tricky problem for the Federal Coal Mines Administration.

Although President Truman estimates that the government will spend only \$330,000,000 to support farm prices next year, the agriculture department is prepared to put up as much as \$1,800,000,000.

In his budget message to Congress the president named the \$330,000,000 figure. However, he warned that further expenditures would become necessary should markets weaken. If prices drop, the \$330,000,000 would be merely a drop in the bucket.

Agriculture department officials point out that commercial banks already are authorized to loan money on crops, and that these loans are guaranteed by the Commodity Credit corporation. Should markets slump, farmers

had been the Austro-Hungarian empire.

Von Schuschnigg's incredulity and his faith in ordinary human decency characterized his whole tenure of office as chancellor.

Benito Mussolini once imposed upon him in a flattering "utimatum" which placed Austria on Italy's side back in 1934 as a presumed coalition against German absorption or aggression.

Mussolini's motives—his real motives—became apparent far later. But in the meantime, Von Schuschnigg had allowed himself to be surrounded in his cabinet by outright, flagrant Nazis, although he believed them to be true Austrians, which they were.

Among these were Arthur Seyss-Inquart, later his own successor as first puppet chancellor and Guido Schmidt, who functioned as foreign minister.

Seyss-Inquart is well and truly dead, hanged by the noose at Nuremberg.

Schmidt is on trial as a war criminal and as a perpetrator of unspeakable deeds.

Von Schuschnigg already has told much of his country's struggles and of his fruitless efforts to deal with the Nazis on anything that might have appeared to be the least bit reasonable terms. Whatever new he may say on his present visit will contribute to the history of the times.

## Rotarians Hear Of Life In Japan

John V. McClelland Gives Observations Gained During Service There Recently

### HONOR MEMORY OF ROTARY'S FOUNDER

New Castle Rotary club members at the meeting at The Castleton on Monday heard about conditions in Japan from John V. McClelland, local florist, and a member of the club, who has but recently returned from service in that country.

Prices are virtually out of the reach of the average man in Japan. Mr. McClelland stated, leather shoes selling for the equivalent of \$125 in American money, cameras came around \$200, good binoculars \$185, and other things in proportion. Many articles cannot be purchased except in the black market, and when the G. I.'s began shopping around the same as the Japs did to get the best black market prices the Jap vendors got together and pegged prices so that virtually all sold for

the same price, and generally an extremely high one.

**MacArthur Respected**  
While many people have the idea that the Japs subsist entirely on rice and fish, this is not true. Rice, he stated, in its more refined state is a ceremonial food, but the poor people live on the coarse rice ground with the hulls on. There are many vegetables raised in Japan, their radishes growing to weights of 40 to 50 pounds, and many other articles are raised and eaten especially in the rural sections. During the war the people in the cities had a hard time getting enough to eat but the people in the rural districts fared fairly well.

Many people live in the subways at night, he stated, due to a shortage in housing as the result of American bombings which destroyed their homes and there is a great rush in the streets around 5:30 p. m. but after 7:30 o'clock few people are to be found abroad.

The Japanese people are getting along nicely under General MacArthur's rule and respect him. Mr. McClelland stated. Whenever any minor uprisings take place the army goes on parade and wheels their tanks and mobile equipment through the streets, which has a most salutary effect, he stated.

Mr. McClelland had a number of pictures and articles which he brought back with him and were exhibited at the close of the program. He was introduced by Ralph Peterson.

Tribute was paid by the club to the memory of Rotary's founder, Paul B. Harris, of Chicago, who passed away there January 27 at the age of 78 years. J. Lee McFate, charter member of the club, who was well acquainted with Mr. Harris, gave the eulogy. A large picture, which was draped in his honor, was placed near the speaker's table. Report was given on the Fulton Lewis, Jr., talk presented under the auspices of Rotary recently, and it was announced by President Carlton J. Ferris that Col. Lawrence, U. S. Army engineer on the Erie Canal project, will be the speaker March 3.

## Methodist Leaders Back From Chicago

Dr. Harold A. McCurdy Returns From First Methodist Meeting About Alcohol Facts

Dr. Harold A. McCurdy, superintendent of the Grove City District of Methodist Churches, was a delegate to the Temperance Advance Movement of the Methodist Church which met last week in the Stevens hotel, Chicago.

The meeting was presided over by Bishop Wilbur Tammaker, of Denver, Colo., who is president of the Methodist Board of Temperance. One hundred fifty delegates were present representing every annual conference of American Methodism were present. Among the discussion leaders were Dr. E. M. Jellinek, noted Yale university professor; Dr. Deets Pickett, research secretary of the Methodist Board of Temperance; Dr. George Barton Cutton, former president of Colgate university; and Dr. Roy L. Smith, editor of the "National Christian Advocate". Twelve bishops were present and active in the discussion periods. This meeting is the beginning of a great educational movement on alcohol facts in which the Methodist church will take an active part.

## Fingerprint Camera To Be Secured For Police Department

City council has authorized purchasing Agent Joseph D. Alexander to purchase for the fingerprint bureau, city police department, a fingerprint camera at a cost of \$75. The recommendation was made by Mayor John F. Haven.

Heretofore when Fingerprint Operator Willis G. McMullen went to robbery scenes he had to "lift the prints" with a chemically prepared powder which at times were apt to be smudged.

After the camera arrives, McMullen only need focus the camera on the print, take a photograph and develop the picture of the "print" in the bureau of fingerprint laboratory.

## Policy Is Set Forth For German Youth

WASHINGTON, Feb. 4.—(INS)—The United States today set forth a 16 point policy to be pursued in ridding Nazi youth of totalitarian tendencies and reorienting them towards democracy.

The policy was set up jointly by the State, War and Navy departments. It takes cognizance of the fact that German youth today, often from birth on, had been "submitted to the influences with the Third Reich dispensed through the Nazi-fied system of education, its youth organizations and other channels of propaganda."

"For all young people of this generation in Germany the physical and mental drill of the Hitler youth became an almost unquestioned form of life," the statement said in analyzing the situation on VE Day.

This training, it noted, was augmented by greater compulsion and more rigid discipline through five years of war and progressive militarization.

### Highlights of Program

Highlights of the measures suggested to overcome these tendencies include:

1. Voluntary youth groups free of Nazi and militaristic tendencies shall be encouraged either as independent organizations or in cooperation with authorized political, civic, religious or other adult organizations.

2. The aims of these groups shall be "consistent with democratic principles and procedures and membership shall not depend on racial origin, social status or financial means."

3. Cultural programs are to be arranged to familiarize youth with democratic ways of life and with the efforts of all nations to contribute to moral and social progress.

4. Community work projects shall include vocational guidance and training to help youth develop their ability.

5. To resume contacts between German youth and youth outside Germany by conferences, seminars, camps, work projects, tours, and "similar programs to promote international understandings and co-operation."

### RODZINSKI RESIGNS

NEW YORK, Feb. 4.—(INS)—Resignation of Arthur Rodzinski as musical director of the New York Philharmonic-Symphony orchestra was to be considered today by the Philharmonic's board of directors.

There was little doubt that it would be accepted after Rodzinski charged he was withdrawing because of "organizational shortcomings."

Rodzinski's contract with the Philharmonic was renewed automatically for a year last November, but the directors offered him a new three-year contract which the director rejected.

### Newport

Timmy Baker of New Brighton is visiting with Mr. and Mrs. John Allen.

Mrs. James Tebay and daughter, Rose Mary, visited in Youngstown Saturday.

Mrs. William Curry was taken to Ellwood City hospital Friday evening for treatment.

Charles Bohlman of Coraopolis spent Sunday with his parents, Mr. and Mrs. Henry Bohlman.

Miss Jane Crowe of Ellwood City spent the weekend at the home of Mr. and Mrs. Joseph Gorkas.

Mrs. Walter Kirschler spent Wednesday with her sister, Mrs. Louise Baker, of New Brighton.

Mr. and Mrs. George Baker of New Castle spent Sunday with the latter's parents, Mr. and Mrs. Carl Truby.

Mr. and Mrs. Gene Hartzell of Ellwood City, and Mrs. William Jenkins spent Sunday afternoon with Mrs. Nina Hall.

### Graft Scandal

#### In Honolulu

HONOLULU, Feb. 4.—(INS)—The worst graft scandal in Honolulu history was headed for the grand jury today after William Clark, former vice squad sergeant, signed a confession implicating scores of persons.

Clark's confession was said to have involved present and former members of the Honolulu police department along with gamblers and other underworld characters in the Hawaiian capital.

A spokesman for the district attorney said the confession gave a clear picture of wartime police tie-ups with gambling, prostitution and other vices and rackets.

He said elaborate precautions are being taken to protect witnesses and police officers who have turned state's evidence.

The scandal will be placed before the grand jury within two weeks.

### Proposes Measure

#### To Outlaw Klan

HARRISBURG, Feb. 4.—(INS)—A measure to outlaw the Ku Klux Klan in Pennsylvania was in the Senate judiciary general committee today.

Sponsored by Minority Leader John H. Dent, the legislation was prompted by the recent disclosure that the KKK was soliciting members again in Franklin county.

The bill provided stiff fines and imprisonment for persecution of persons because of their race, creed or color by "terrorism, threats, demonstrations and other fear-engendering methods."

Dent proposed fines ranging between \$3,000 and \$10,000 for officers or directors of any terror organization formed after adoption of this bill and jail terms up to 20 years.

### DUKE OF WINDSOR REVEALS PLANS TO PEN MEMOIRS

AT THE PALM BEACH, FLA., estate of the railroad magnate, Robert R. Young, the Duke and Duchess of Windsor pose with their hosts, following the duke's announcement that he will write his memoirs. Mr. and Mrs. Young are shown center. (International Soundphoto)

### BIRTHDAY PARTY ADDS UP TO 377 YEARS

CUTTING HER BIRTHDAY CAKE, Miss Margaret Houchin, 98, of Selkirk, N. Y., enjoys herself at the party given for here by three friends. All of them over ninety, their combined ages total 377 years. Left to right, they are: Mrs. Hattie Burnett, 93, sister of the guest of honor; Miss Houchin; Mrs. Mary Washburn, 93, and Jane Ann Schoonmaker, 93. The cake wasn't quite big enough for all the candles. (International Soundphoto)

### Seventh Ward

### Mahoning School Is Stamp Sales Leader

Several of the classes of Mahoning school are making preparations for presentation of a program in the school auditorium on Lincoln's Birthday, February 12.

Pupils of Mahoning school hold first place among the schools of the city in the sales of Savings Stamps. Up until this week \$1,580.75 worth of stamps have been sold since the commencement of the school term in September.

### LOCAL RAILROAD TEAM WINS DUCKPIN GAME

Members of the B. and O. railroad team of bowlers were hosts to the Glenwood shops team of Pittsburgh Saturday evening, with the locals coming out victors in the duckpin contest. The Glenwood

team won the former match. The locals are among the leaders in the railroad league.

Following the game, which was played at a city alley, the ward team entertained the visiting team with refreshments.

### Girl Scouts Plan For Valentine Party

Members of the Girl Scouts troop 16 gathered during the week-end in the social room of the Mahoning Methodist church, under the leadership of Mrs. Bessie Coates Pitzer.

Various games were among the diversions. The group rehearsed for a play, to be presented on February 15. Those in charge of the play were Patsy Cearfoss and Phenton Blanton.

Plans were made for a valentine party on Saturday afternoon, February 15, at 3 o'clock with mothers as guests of the troop.

Patrol leaders in charge of the meeting were Joan Kumrow and Florence Barattiere.

### SPORTS COMMITTEE

#### WILL MEET TONIGHT

There will be a meeting of the sports committee of Christopher Columbus society Wednesday evening in Columbus hall at 7:30 to make further arrangements for the baseball team for this year. All equipment except a couple of suits outstanding is on hand. There is still an opportunity for a few players to try out for the team.

Refreshments will be served at the close of the meeting.

### HILL QUITE DANGEROUS

Reports come from the ward that Mt. Jackson hill was quite dangerous for travel this morning. About seven o'clock there were about 20 cars without chains stuck on the hill by the sudden appearance of the swirling snowstorm after the nice weather of Monday evening. There was rain this morning about 5:30, later changing to snow.

### LOOKOUT CLASS TO MEET

Members of the Lookout Bible class of the Madison Avenue Christian church will be guests of Mrs. Ann Johnson of Wilmington road this evening at 7:45 o'clock. Mrs. Viola Taylor will be co-hostess.

### TEAM RECEIVES JACKET

Word comes from St. Margaret's Council, No. 74, that members of their 1946 baseball team, who were so successful during that season have been awarded their jackets. The local team was runner-up for the North County league championship, the New Wilmington team winning by the score of 1-0.

### BEREANS MEET TONIGHT

At the home of Mrs. John W. Jones, members of the Bereans Bible class of the Madison Avenue Christian church will meet this evening at eight o'clock.

### SEVENTH WARD PERSONALS

Mrs. Paris Gangey of the Ellwood road, formerly of the ward and Mrs. Evelyn Perrotta of West Washington, visited Monday in Akron, O., with the former's husband, who is confined to the City hospital there. It is reported that Paris is recovering nicely from his injuries suffered at his employment nearly three weeks ago.

Mr. and Mrs. Cal Patton of Youngstown have returned after visiting with relatives and friends in the ward over the week-end.

Steve, Jr. Young son of Mr. and Mrs. Steve Orlando of 6 North Cedar street, has returned to his home

from the New Castle hospital and is getting along fine. He suffered scalds from hot water on the stove about three weeks ago.

Fred Nocera of 808 West Clayton street is confined to the New Castle hospital, where he underwent an operation for appendicitis a few days ago. He is getting along nicely.

Mrs. Mary Dattilo of North Wayne street, who has been ill at her home, is reported much improved.

Mr. and Mrs. John Maron and son, of Foxburg, were week-end visitors with Mrs. Maron's parents, Mr. and Mrs. R. E. O'Donnell, of 708 North Ashland avenue.

### Resume Testimony In Portal Pay Case

Testimony Taken On Time Consumed In Walking From Time Clocks To Work Benches

DETROIT, Feb. 4.—(INS)—Attorneys in the Mt. Clemens Pottery portal case resumed testimony today to determine how fast employees walk from time clocks to work benches.

The case was reopened yesterday before Federal Judge Frank A. Picard who has been ordered by the U. S. Supreme Court to determine if portal time in the case is computable.

The first day's testimony brought a rebuke from Judge Picard who charged both company and union lawyers with attempting to halt taking of testimony.

After listening to several witnesses yesterday, the Detroit jurist estimated the pottery workers walk at speeds ranging from two miles an hour to half a mile every hour.

The witnesses told the court that obstructions in the path from the time clock to the work bench lengthen walking time.

James R. Doll, son of the company president, pointed out that the average speed going from the job at night is much greater than on coming to work.

Judge Picard replied that "the court can take judicial notice of the fact they walk faster going out than in."

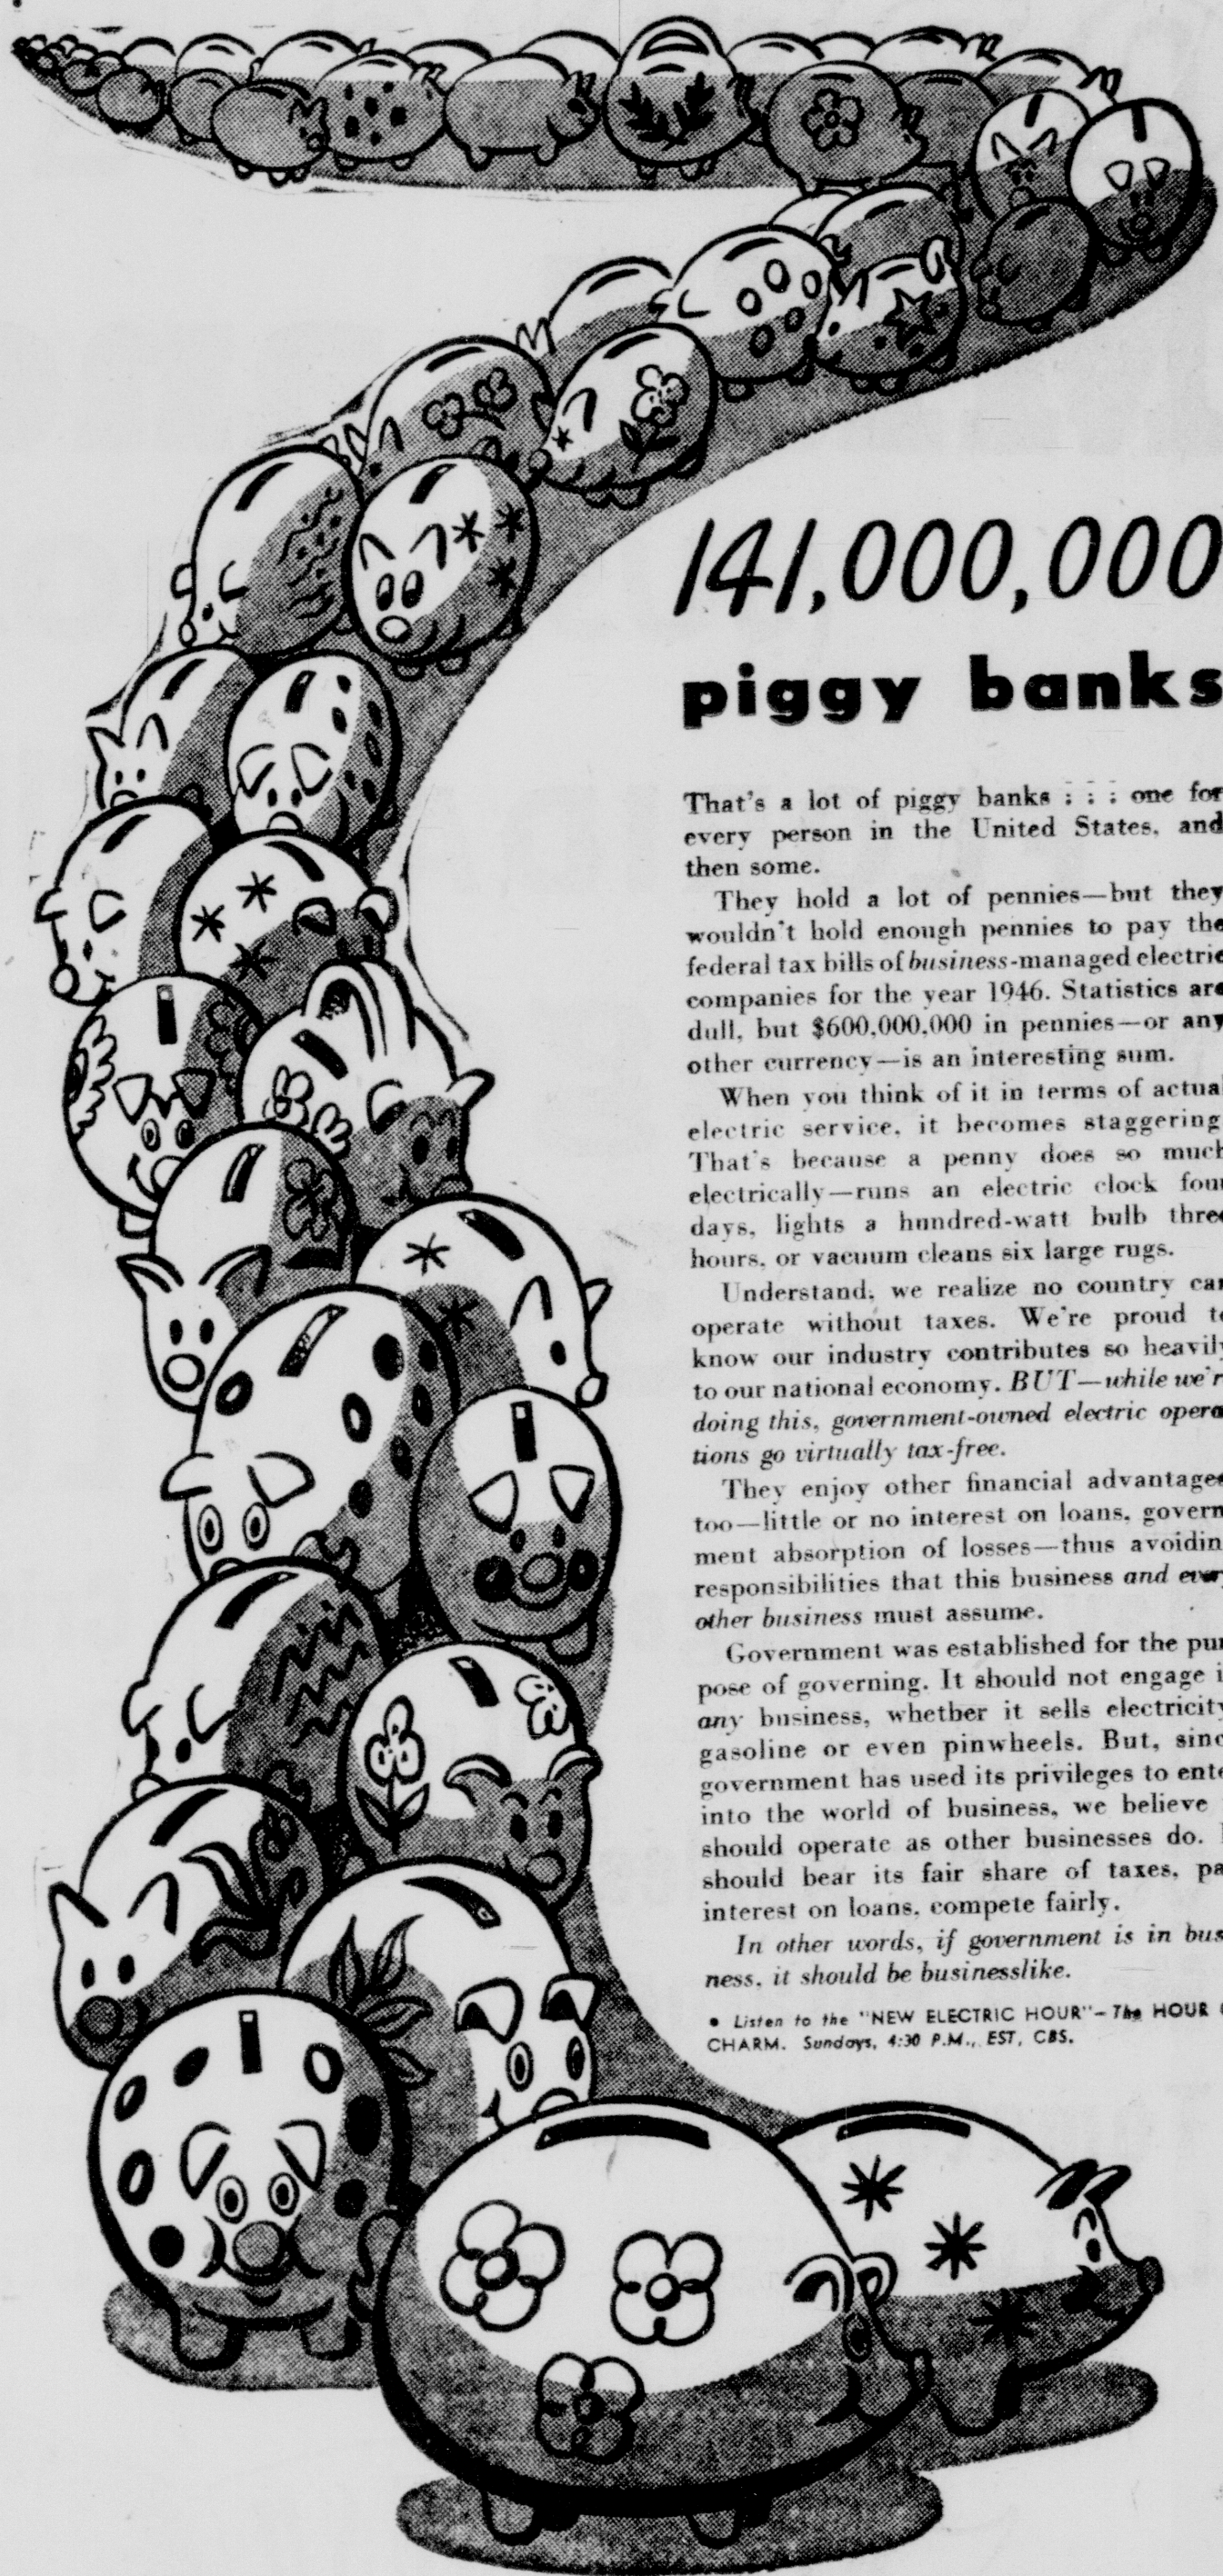

MEDIA — Seventeen-year-old George Wuarles called himself a lone wolf and a judge believed him. The jurist sent him away from society for a 25 to 30 years period after the boy admitted nine stick-ups.

**RAISINS**

15-oz. **25¢**  
Pkg.

**141,000,000  
piggy banks**

That's a lot of piggy banks : : : one for every person in the United States, and then some.

They hold a lot of pennies—but they wouldn't hold enough pennies to pay the federal tax bills of business-managed electric companies for the year 1946. Statistics are dull, but \$600,000,000 in pennies—or any other currency—is an interesting sum.

When you think of it in terms of actual electric service, it becomes staggering. That's because a penny does so much electrically—runs an electric clock four days, lights a hundred-watt bulb three hours, or vacuum cleans six large rugs.

Understand, we realize no country can operate without taxes. We're proud to know our industry contributes so heavily to our national economy. BUT—while we're doing this, government-owned electric operations go virtually tax-free.

They enjoy other financial advantages, too—little or no interest on loans, government absorption of losses—thus avoiding responsibilities that this business and every other business must assume.

Government was established for the purpose of governing. It should not engage in any business, whether it sells electricity, gasoline or even pinwheels. But, since government has used its privileges to enter into the world of business, we believe it should bear its fair share of taxes, pay interest on loans, compete fairly.

In other words, if government is in business, it should be businesslike.

### Threat Made To Kidnap Quints In Buenos Aires

BUENOS AIRES, Feb. 4.—(INS)—Argentine police looked upon a reported "kidnap threat" against the Diligent quintuplets today as a cruel, practical joke.

Adna Diligent, mother of the three-year-old quintuplets, told police she received a kidnap threat while vacationing at Mar del Plata.

The note demanded 40 thousand pesos (about \$8,000) but gave a name and address for delivery of the money. It was this feature of the note which made authorities skeptical.

### LITTLE BEAVER

Mr. and Mrs. C. P. McLaughlin of Youngstown, O., visited their daughter, Mr. and Mrs. H. C. Dudas Saturday.

Mr. and Mrs. George Von Berg and daughter of Freedom visited with their parents here recently.

Mr. and Mrs. James Hale of East Palestine called at the home of their parents here Sunday.

Mrs. Clara Holiday and children of Akron, O., called at the home of Mrs. Elita Trudal Thursday.

Mrs. R. H. Giesecke and Mrs. H. C. Dudas were shoppers in Beaver Falls Friday.

Jim Sumners of New Brighton

called at the home of relatives here Saturday.

Mr. and Mrs. Ernest Gordon and Mrs. Ruth Glasko were callers at East Palestine, O., Saturday.

Charles Clemmer visited his sister, Mrs. Joe Freshcorn at East Palestine, O., last week.

Miss Anna Goschkie was a caller at Beaver Falls recently.

Mr. and Mrs. Lloyd Armstrong of Lisbon, O., visited their parents here Sunday.

Cremons was the Italian village where many famous violin makers worked. Among them was Stradivarius, Guarnerius, Amati and Bergonzi. The violins made by all of them are called Cremonsas.

The mammoth inhabited central Europe during glacial and post-glacial times.

## New A. & P. Super Market Will Open Wednesday

The new A. & P. Super Market at South Mill street and Croton avenue, which opens tomorrow, marks the completion of that Company's first major postwar business project in Lawrence County. In the opinion of A. & P. Executives, the new A. & P. is the most modern and beautiful Super Market in western Pennsylvania.

**Latest Type**  
Company officials say the store has the latest type equipment to preserve the freshness and quality of perishable food. Special refrigerated counters in the produce department assure perishable green goods reaching customers at the peak of perfection. New and modern refrigerated cases have been installed in the meat department and quick frozen foods, not stocked in the old A. & P., have been added to round out the complete variety of foods of the new Super Market.

As one of the leading food merchandisers in the country, A. & P. claims to be constantly striving to bring better foods to the public. Local A. & P. executives point to the specially refrigerated meat cutting room and the specially refrigerated storage room for reserve stocks of produce in substantiation of their claims for progressive thinking.

**Includes Candy Department**  
The new store also includes a Holly Carter candy department and is one of the few A. & P. Super Markets being used by the company as an outlet in the marketing of its new candies of exceptional quality. This department will feature a wide variety of quality candies, completely pre-packaged. The new candy department, it is said, has

been widely accepted by the public in other areas, to date. Company officials declare they are proud to add this modern candy department to the New Castle Super Market.

The new store was specially built to A. & P. specifications and designed to afford customers a maximum of ease and comfort in carrying out and solving their shopping problems. Wide aisles, improved shelving, and novel fluorescent tubular lighting are among the many new features to be found in this modern post-war store.

**Highly Departmentalized**  
The new market is also highly departmentalized for greater ease in shopping by means of canopies, each of which displays in illuminated outline lettering the type of foods or merchandise for sale.

Probably the most talked-about novelty incorporated in this new store is the so-called "Magic Door." This innovation, believed to be the first of its kind in New Castle and vicinity, will add to the convenience of shopping.

Through an electric eye, the door opens automatically in front of the customer without even as much as a touch of the hand. It will enable package-laden customers leaving the store to make an exit with a minimum of trouble.

The well paved parking lots adjacent to the store are also available for the convenience of customers.

## Seek Treatment For Stomach Ulcers

PHILADELPHIA, Feb. 4.—(INS)—Three scientists at Temple university disclosed today they are working on a chemical substance known as sodium dodecyl sulfate, in hopes of improving medical treatment for stomach ulcers.

The trio, Drs. Harry Shaw and S. A. Komarov, and Herman Siple, are now conducting experiments on dogs only. The drug blocks gastro-intestinal processes said to be responsible for stomach ulcers.

They believe that if the sulfate can be used in humans, it will supply a nearly ideal medicine for those suffering from ulcers.

About 1,000 conscientious objectors to war are still in federal prisons in the U. S., more than a year after the end of World War II.

## RED—ITCHY—SCALY ECZEMA

## SCOTT'S SCRAP BOOK

By R. J. SCOTT

## THE PARENT PROBLEM

(Continued from Page Four)

awaken him while in his crib or bassinet alone.

So you see it is more than the rocking or cuddling which puts him to sleep. It is also the familiar contact with you which he may find necessary to put him back to sleep. Almost certainly, the youngster rocked to sleep will, on that account, sleep less soundly. He will awaken more often, as a rule, and be less ready to go back to sleep alone. It's needless to consider also the matter of his dependence on you rather than his self-reliance.

**Rocking Your Child**

But suppose you have been rocking your child to sleep. What then? If you want to continue rocking, you must sleep several years hence and to have him awaken often during the night, go on rocking him to sleep at bedtime and when he awakens during the night.

If you don't wish to continue this practice just quit rocking him. Put him in bed and let him cry himself to sleep. You can be sure that the longer you delay the training the greater will be the cost to him and you.

But don't begin to train him until you are ready to stick to your plans. If you let him cry a long while and then surrender, he will only hold out longer the next time. If you are going to rock him anyway, do so right away.

Likewise, if he has been sleeping with you, no sense in letting him cry a long while and then succumb. If you don't have the stuff in you to see it through, if it takes all night and several nights, go on as you have been. (My bulletin, "Sleep Problems: Their Prevention and Correction," may be had in a stamped envelope by writing me at 235 East 45th street, New York, N. Y.) When you let a youngster cry it out, be sure to remain within easy hearing distance to protect him against the very slight possibility of his suffocating during his struggling.

**Second Woman Claims Slain Man Was Her Husband**

PORTLAND, Ore., Feb. 4.—(INS)—The killing of Frank B. Tatum took on a new twist today after a Pennsylvania woman claimed that the slain sea captain was her husband.

Tatum left a wife and two children in Bellefonte, Mass. The Pennsylvania woman, Maude G. Tatum, of near Harrisburg, gave police of her city a newspaper picture of the dead man and said she had been married to him 33 years ago and never divorced. She asked for details of his death and burial.

Tatum was beaten in the Cecil rooms in downtown Portland and his body dumped over a cliff in a blue ribbon residential neighborhood. Murder charges have been filed against Patrick O'Day, 40-year-old owner of the rooms who allegedly knocked Tatum out; Johnny Snyder, 20, and Harold E. Sehorn, 25. Snyder and Sehorn admitted throwing Tatum, still moaning, over the cliff.

## Good Taste

By FRANCES MARTEL

GLASS CURTAINS

Question: I am in need of advice as to the proper curtains to use in my home. Would it be proper to use a different color scheme in each room or must all correspond?

Answer: Your glass curtains (those of thin material placed next to the glass) should be similar throughout the house, and those of each floor should be alike. Then your house will have a uniform appearance when viewed from the street. A house, especially one detached, is spoiled if curtains of various colors and designs for each room are used. If the rooms need individual window treatment, this should be taken care of in the selection of your over-drapes. But even these should be alike for rooms opening into one another.

Question: Where should the two flower girls and one page walk in my wedding procession and recessional?

Answer: The flower girls should walk behind the maid-of-honor and just in front of the bride in the procession. The page should walk behind her in both the procession and the recessional to hold up her train. In the recessional, the flower girls usually precede the bride and groom to strew flowers in their path, as they go down the aisle.

Question: At my wedding, which will be very small and quiet, I am have a maid-of-honor. Should she walk alone up the aisle, followed by me on my father's arm? I shall dress as a bride.

Answer: Yes, this is the correct procedure. But why not have two ushers who will lead the procession and make it look more graceful.

Question: Who pays for the wedding flowers?

Answer: The bride's bouquet is given by the groom who usually supplies the flowers of the bride's attendants. Sometimes these latter flowers are sent by the bride's mother, which is also correct.

## Special Probe In 'Beer War' Hinted

Common Pleas Court Judge Informs Grand Jury Such Action Within Province

PITTSBURGH, Feb. 4.—(INS)—Possible special investigation of Pittsburgh's 121-day-old beer war was hinted today after Presiding Judge Frank P. Patterson of Common Pleas court informed the grand jury such a probe was within its province.

Judge Patterson, terming the recent wave of bombings attributed to the war a "social menace," made the statement as the National Labor Relations Board announced an industry-wide election to determine the bargaining agent for brewery workers would be held February 13.

The beer war is an outgrowth of efforts of the AFL-Teamsters Union to regain control of brewery employees, who now are affiliated with the CIO-United Brewery Workers.

The AFL Teamsters, however, failed to attend the NLRB hearing yesterday, and as a result, the name of that union will not be on the ballot when the brewery workers conduct the simple "yes" and "no" vote next week.

To date, there have been 13 bombings, dozens of windows smashed in taverns handling Pittsburgh beer, and a number of persons beaten in the war.

In addition, Wheeling, W. Va., teamsters, joining the fight, have boycotted a number of business establishments handling Pittsburgh beer which the AFL union has labeled "unfair."

**THE WORLD AND THE MUD PUDDLES**

(Continued from Page Four)

ator Carter Glass of Virginia, sponsor for the Federal Reserve Act under Woodrow Wilson, and caused him to decline the Treasury post under Mr. Roosevelt.

Mr. Morganthau's recites how the President and a group of advisers used to meet at breakfast every morning and establish the current price of gold, over scrambled eggs and coffee. Certainly in the price with the daily rises ordered, hampered the program, so it was decided to quit cutting off the cat's tail an inch at a time and do the job in one swoop. Someone at the bedside conference suggested the rise of twenty-one cents an ounce. The President of the United States, with the financial welfare of the millions of Americans and the fate of world commerce dependent on his decision, immediately adopted the twenty-one-cent figure, because, he said, "It's a lucky number—three times seven." Thus was the value of gold determined—with the United States starting out to buy the yellow metal from all available sources at enormous profits to sellers in other nations until we wound up with some twenty-two billion dollars of it lying idle, deep under concrete in Fort Knox. It is an interesting sidelight on this financial wizardry that when Montague Norman, Governor of the Bank of England, expressed concern over this type of finance, Mr. Roosevelt sarcastically referred to him as "Old Pink Whiskers."

Other data in Mr. Morganthau's

forthcoming volume refer to the offhanded order of the President. In the fall of 1933, that one author—Governor of the Farm Credit Administration—pick up twenty-five million bushels of wheat for Harry Hopkins in order to boost the price. In the effort to meet the executive order to "squeeze the shorts out" Mr. Morganthau states that he bought four million four hundred thousand bushels to force a price of thirty cents a bushel. It is not disclosed what benefit the farmers received.

Mr. Morganthau's revelations, of course, are not motivated by any critical attitude, for he remains a steadfast disciple of the New Deal. They show, however, the nonchalant and indifference to consequences of a President who regarded the high office as a sort of plaything and experimental proving ground for the academic theories of a Brain Trust. The diaries of the former Secretary of the Treasury should be far more worthwhile in properly appraising the long Roosevelt regime than most of the laudatory guff heretofore published.

"Amalgam" is mercury combined with another metal.

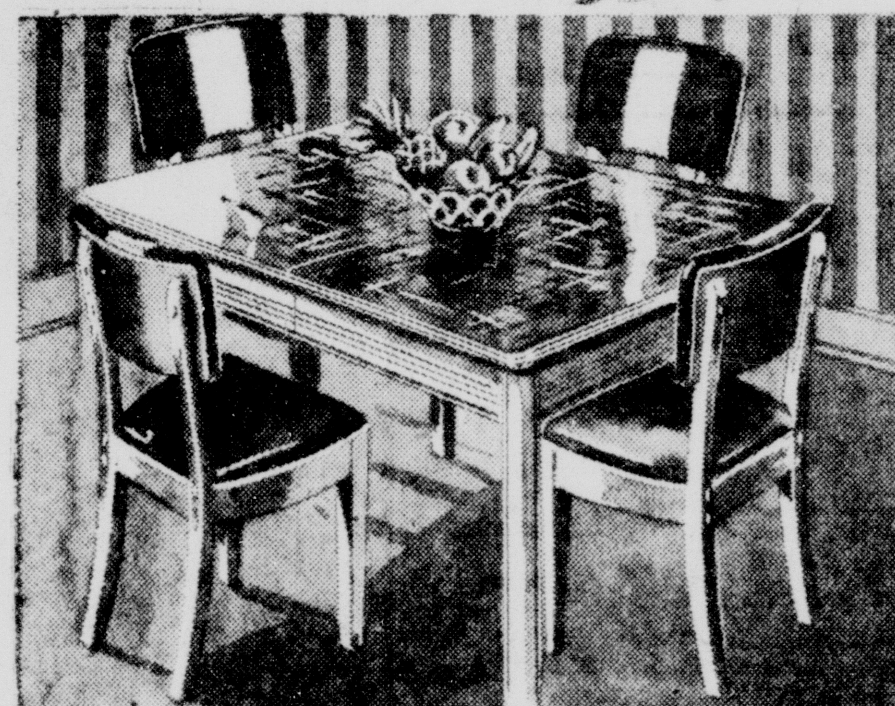

**SMALL, BUT IMPORTANT**

Only a very small portion of your income goes towards paying for insurance, but it is a very important part, because it may prevent losses amounting to hundreds or thousands of dollars.

## Partially Disabled Veteran Enlists In Army, New Plan

Gudmund Haavard Kronstad Of Mt. Jackson Returns To Service At Fort Bragg

Gudmund Haavard Kronstad, son of Mr. and Mrs. Haavard Kronstad of Mt. Jackson, is the first partially disabled veteran of the late war to re-enlist under a new regulation of the U. S. Army, admitting these men to further service.

Kronstad, who served as a first class private in the 78th infantry division, suffered a wound of the chest and left shoulder when his unit went into the Battle of the Bulge to relieve hard pressed Yanks, and in the fierce fighting there was wounded through the left side of the chest and left shoulder.

He has enrolled for three years of service and has been sent to Fort Bragg, N. C., for training, according to word received by his parents.

## ITALIAN MINISTER SAYS TREATY 'HARD'

ROME, Feb. 4.—(INS)—Count Carlo Sforza, Italian foreign minister, declared today that the Italian peace treaty has brought his country to the "most painful moment in its history."

Sforza told International News Service that the Italians consider the treaty unjust. He termed the treaty a "hard blow," but not severe enough to prevent Italy from staging a comeback in the near future. The veteran diplomat added that he was grateful for the moral and material assistance rendered to his nation by the United States during Italy's time of greatest trial.

## New Bills Presented To State Legislature

One Bill Would Make Experience Ratings A Factor In Compensation Payments

HARRISBURG, Feb. 4.—(INS)—A bill to make experience ratings a permanent provision of the schedules governing unemployment compensation contributions was introduced today by Sen. Frederick L. Homsher (R) Lancaster.

The measure, which was referred to the labor and industry committee, would modify certain provisions to give employers more time to determine contributions, based on unemployment turnover.

More exact calculation would be required and it could result in a saving of one-third of one per cent of employers' payments in some instances, according to Homsher.

**Other Measures**  
Another measure presented in the upper chamber would repeal the law governing sale and manufacture of oleomargarine. It was introduced by Sen. William S. Rauscher (R) Allegheny.

Establishment of mental clinics by common pleas judges and county commissioners for examination of persons convicted of certain crimes was proposed in a measure sponsored by Sen. Frank W. Ruth (D) Berks.

First offenders in obvious mental cases and persons convicted of sex offenses, alcoholics and drug addicts would be examined prior to the imposition of sentence under the provisions of Ruth's bill.

Legislators would be required to file statements with the General Assembly revealing the source of income under a measure introduced by Sen. Elmer J. Holland (D) Allegheny.

During yesterday's session a bill to outlaw the Ku Klux Klan in Pennsylvania was referred to the senate judiciary general committee.

India spent about twelve billion dollars and raised a volunteer army of 2,500,000 men for service in World War II.

## PERSONAL MENTION

Mrs. Paul Bara, nee Miss Betty Lawton of Adams street, has left for Chicago, Ill., where she will join her husband, who is enrolled there in Coyne Electric school.

Word has been received here of the birth of a son January 30 to Mr. and Mrs. Lucian Tiberi, the former Helen Apicelli, now of Columbus, O. She is the daughter of Mr. and Mrs. Angelo Apicelli, 1035 Butler avenue, this city.

Mrs. Harry Bryant and daughter, Dolores, of New York City and Chevy Chase, Md., were weekend guests of Dr. and Mrs. G. E. Seal, 823 East Washington street. Dolores is a student at the University of Maryland, having a few days vacation between semesters.

**Y.M.C.A. NOTES**

**Pottery Club**

David Gatrall, boys' work director at the central branch of the "Y," announced today that a pottery club is being formed at the association and will meet for the first time this evening beginning at seven o'clock.

The club is sponsored by the Shenango Pottery company and is for sons of the company employees. The new organization will continue for 10 weeks, with planned trips, sports and other recreation on the program. To date 25 boys have been signed, with vacancies still in existence.

Paul Gilbert, William Morgan and David Long, of the company, with Mr. Gatrall, will act as club supervisors.

**Midget's Bean Dinner**

A large turnout is expected Saturday for the bean dinner being held for the Midget class at the "Y."

There will be Bible study at 10 a. m. followed by a gym and swim period at 10:30. The dinner will be held at noon.

All reservations for the event must be made by Friday, it was announced.

**Y-Teen Clubs**

**Franklin Club**  
Ben Franklin Y-Teen club met Monday afternoon with Yolanda Pagley in charge of the business meeting. A devotional period was conducted by Marilyn Kelley.

Officers for the second semester were elected as follows: president, Judy Rozzi; vice-president, Carol Steele; secretary Rose Marie Palmer; treasurer, Marietta Colella.

Next meeting February 10 will be a Valentine party. Committee in charge of the Valentine box is Rose Marie Palmer, Carol Steele, Barbara Llewellyn, Denise McConnell and Lottie Roth.

## Asked To Observe Anniversary Of Edison's Birth

HARRISBURG, Feb. 4.—(INS)—Pennsylvanians were asked today by Gov. James H. Duff to observe the 100th anniversary of the birth of Thomas Alva Edison February 11.

"The day will be observed as Thomas Alva Edison Day to honor the memory of this great American and to pay tribute to the far-reaching achievements of his long and distinguished career," Duff said.

"The fruits of his genius, his scientific discoveries and his inventions have won Edison an everlasting place in history as one of the great benefactors of mankind," he added.

## TRUMAN TO SEE ALEMAN IN MEXICO

President Truman

President Aleman

Official presidential palace in Mexico City.

INTERPRETED as a move to cement good relations between the United States and Mexico, President Truman will fly to Mexico City for a three-day visit in March with President Miguel Aleman at the latter's palace. Date of the trip has not been announced, but it will be followed by a visit by Aleman in the White House. (International)

**Justice Department Interest In Sale Of Record Is Routine**

WASHINGTON, Feb. 4.—(INS)—The Justice department today characterized its interest in the sale of the Philadelphia Record as "routine procedure in any case of any projected merger."

The department had telegraphed J. David Stern, ex-publisher of the Record, and publisher Robert McLean of the Philadelphia Bulletin asking them to confer with department officials. A Justice department official explained:

"This is routine procedure in the case of any projected merger of any two enterprises. There is nothing unusual in it."

"We have not as yet received answers to our wires."

## Propose Move To Limit Terms Of President To Two

WASHINGTON, Feb. 4.—(INS)—The House judiciary committee today approved a proposed constitutional amendment limiting future presidents' tenure in office to two four-year terms.

The vote to approve the resolution, sponsored by Rep. Michener (R), Mich., committee chairman, was 20 to 6.

The committee, in a closed session, rejected a substitute proposal to limit the tenure of presidents to one six-year term. This proposal was voted down 19 to 7.

Michener announced that he would go before the House rules committee tomorrow to seek floor-for-way for the measure to the right for House action Thursday or Friday.

The resolution must be approved by two-thirds of the voting membership of the House and Senate and then ratified by three-fourths of the states, before it becomes an amendment to the constitution.

**Governor Opposes Restrictions On Gas Transmission**

HARRISBURG, Feb. 4.—(INS)—Gov. James H. Duff today indicated his opposition to any move to restrict transmission of natural gas being used to supplement fuel supplies in the Pittsburgh area.

"So far as the situation pertains to the Pittsburgh area," he said, "I am opposed to any restrictions that would interfere with any vital, necessary fuel for that area."

His statement followed the senate mines and mining committee's vote killing a resolution memorializing congress to halt sale of the big and little inch pipe lines pending an investigation and report by the federal power commission.

**With New Castle Afro-Americans**

Young Matron's club will meet Tuesday evening, February 4, at 8 o'clock at the home of Mrs. Narcissus Farris, 11 Cliff street. Last meeting was held at the home of Mrs. Virginia Cummins, 125 West Washington street. Refreshments were served at the close of the meeting by the hostess aided by Mrs. N. Farris.

Members of Friendship club met recently in Elm street Y. W. C. A., when plans were made for a Washington tea and card party on February 21. Dainty refreshments were served later by Miss Corinne Garside and Mrs. Bessie Fitzhugh. Next meeting will be Wednesday evening, Feb. 5, at the same place, at eight o'clock. Hostesses will be Mrs. Dorothy Hall and Mrs. Lucille Hambrick.

Doris Sewing Circle will meet this evening at the home of Mrs. Fannie McDaniel, 401 Mahoning avenue, at 7:30 o'clock.

Senior choir of the Second Baptist church will hold its monthly meeting at the church Thursday evening at 8 o'clock with Mrs. Lottie Minor as hostess.

Missionary society of St. Paul's Baptist church will assemble in the home of Mrs. Frank Moore, 318 West Falls street, this evening at 8 o'clock.

**New Bedford Civic Meeting Date Set**

New Bedford Civic organization's next regular meeting, on Friday, February 14, at 7:55 p. m. in the town hall basement, will be open to the public.

**TO ENTERTAIN GOVERNOR**  
HARRISBURG, Feb. 4.—(INS)—The Pennsylvania legislative correspondent's association will be host tonight at a dinner for Gov. James H. Duff and his cabinet.

The association is the oldest organization of its kind in the nation.

**GIRL SCOUTS**  
Plan Brownie Dinner  
A meeting of Brownie leaders and assistants was held in the Girl Scout office Monday afternoon to make further arrangements for the Brownie dinner which will be held Wednesday, February 12, at 5:30 p. m., in First Christian church.

The meeting was called by general chairman, Mrs. Plumber Gibson. Mrs. Paul Forey, Girl Scout commissioner, was present, also Mrs. Harry Wetlich, program committee chairman.

First part of the meeting was spent making table markers and programs for the dinner. At business, the program for the dinner was announced. Mrs. D. B. Forsyth, executive director of Beaver County Girl Scouts, and Miss Florence McConahy, field director, will conduct the program.

Announcement of any additional meetings will be made later.

**Brownie Troop 48**  
Monday afternoon at 4 o'clock, members of Brownie Troop No. 48, assembled in the Highland school for their weekly meeting with Mrs. James Davis and Mrs. James Matthews, leader and assistant in charge.

A portion of the time was spent in weaving and learning new songs. A health inspection was also conducted. The session closed by playing games.

**GRANGE NEWS**  
TO PRESENT PLAY  
Plainsboro grange will present their play "Little Miss Ginger" at Mahoning grange Thursday evening, February 6 at 8:15 o'clock.

The state of Texas is said to have the largest rural population in the United States.

**FACES NARCOTICS CHARGE**  
PHILADELPHIA, Feb. 4.—(INS)—Thomas F. Brennan, 43-year-old civilian storekeeper at the naval depot in Philadelphia, was held in \$5000 bail today on a charge of stealing and possessing narcotics. Police said he had stolen the morphine from naval life-raft kits. Detectives Thomas Regier, Joseph

Leitz and Michael Iannarelli testified Brennan tried to sell them 96 syrettes of morphine for \$50, although the drugs had a value of about \$1000.

The detectives quoted Brennan as saying he stole the narcotics to "get drink money."

Be sure to get Cudahy's Puritan Franks because they're ALL MEAT—selected beef and pork, perfectly seasoned and smoked—no cereal or dried skim milk added. Then place sauerkraut in casserole. Cover; bake at 350° F. for 1 hour. Place Puritan Franks on top of sauerkraut for last 30 minutes of baking period. Scrumptious! Serves four.

## Will Encourage Vets To Resume G. I. Insurance

Gen. Bradley To Begin  
"Educational" Drive To  
Reinstate Expired  
Policies

By WILLIAM UMSTEAD  
(U. S. S. Staff Correspondent)

WASHINGTON, Feb. 4.—Gen. Omar N. Bradley, Veterans administrator, Monday launched an "educational" campaign to encourage ten million veterans to reinstate their expired National Service life insurance policies.

Bradley told a news conference that the campaign would continue for three months. He said he was confident that "many people will reinstate their policies if they understand their rights of reinstatement."

The veterans administrator called upon the press, radio, movies and insurance companies to cooperate voluntarily in the VA campaign for reinstatement of expired policies.

**Insurance Lapsed**

He pointed out that ten million ex-servicemen have let their service insurance lapse and that the expired policies represent more 90 billion dollars "of potential economic security."

Bradley added: "VA feels that the majority of veterans who have let their insurance go by the wayside are not familiar with the privileges and economic security that their insurance affords them."

"As a result, VA now is launching an intensified information program designed to explain to veterans their rights and benefits in retaining or reinstating their GI insurance."

Bradley said that the VA insurance experts believe that "we have made rapid strides" in clearing up problems confronting veterans who wish to renew their GI policies.

**Expand Facilities**  
He pointed out that VA facilities for handling insurance reinstatement have been expanded and decentralized to 13 branch areas throughout the country.

The veterans administrator said that his agency was "inviting trouble" in launching the campaign because veterans would swamp the VA's facilities if they "all try to reinstate their policies" immediately. He praised the value of the National Service life insurance and said that the GI policies are a "national asset" because "the more people who carry them the more stable citizens we have."

Veterans who have let their term insurance lapse are being allowed to reinstate their policies by paying only two monthly payments and meeting the health requirements.

**ACCORDING TO AGE**

Grandpa—"When I was young it was my ambition to have a gig and a gal."

Pop—"When I was a lad, I wanted a flivver and a flapper."

Son—"Just give me a plane and a Jane..."

## Relief At Last For Your Cough

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

## Blames Pilots

GEN. IRA EAKER, AAF deputy commander, tells the Senate interstate and foreign commerce subcommittee investigating air crashes that approximately 70 per cent of military air accidents are due to pilot error. (International)

## Paris Pays Final Homage To Grace Moore On Monday

PARIS, Feb. 4.—(INS)—Paris rendered final homage Monday to Grace Moore whose golden voice was stilled by death.

The great and the humble who had acclaimed her in life surged to the American Cathedral to pass sorrowfully before the casket lying upon banks of flowers.

The rain fell, but the throng outside did not diminish during the service.

Inside it was cold, the mourners jamming even the aisles.

The eves of the mourners flickered frequently to the bowed figure of her husband, Valetin Parera.

Eight days ago she had wired him: "Everything fine. Be home soon, Love."

Less than an hour later her body was crushed and burned in the wreckage of a Dakota transport plane which had plunged to earth at Copenhagen airport.

American Ambassador Jefferson Caffery was among the notable French and American personalities present.

Dean Frederick Beckman conducted the service. The combined choirs of two American churches sang the hymns the operatic star had loved.

The body of the Tennessee-born actress and singer will remain temporarily in the Cathedral's crypt. Later it will be taken to the United States for burial.

## WAMPUM

**MISSIONARY MEETING**  
Ladies Missionary society of the Presbyterian church will meet in the church Wednesday at 2 p. m. Mrs. C. H. Butler will have the national topic, Mrs. E. Henson the foreign topic.

**W. S. C. S. MEETING**  
Women's Society of Christian Service of the Methodist church will meet in the church Thursday at 7:30 p. m. Miss May Hartzell will be in charge and will have a special talk for the ladies.

**WAMPUM NOTES**  
Jack Brooks, of Ellwood, spent Saturday with Jerry King.

Mr. and Mrs. Eugene Repman, of Beaver, were recent visitors in town.

Mr. and Mrs. P. L. Hoffman, Ellwood, were visitors at the L. J. Overlander's Sunday.

Mrs. C. W. Brooks and Jane, of Ellwood City, were guests of Mrs. Lenora Stapf Saturday.

Mr. and Mrs. J. R. Wilhelm, of Palestine, spent Sunday with the latter's parents, Mr. and Mrs. H. W. Marshall.

Dr. and Mrs. W. D. Dickson and Mrs. C. F. Morrow have returned from Cleveland. They were accompanied home by C. F. Morrow, who has been in Cleveland the past week on business.

Experience has shown that in 81 cases out of 100 the descriptive "big wig" is applied to a notable as hair-free as a haddock. But on John L. Lewis it looks good.—Detroit News.

## Expecting a Baby?

Mother's Friend massaging preparation helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an exquisitely prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women more than 70 years have used it is an application for massaging the body during pregnancy... it helps keep the skin soft and pliable... thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, tingling or burning sensations of the skin... for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use. Highly praised by users, many doctors and nurses. Millions of bottles sold. Just ask any druggist for Mother's Friend—the skin emollient and lubricant. Do try it.

**Mother's Friend**

## Gas...the magic fuel...solves

Why can cook book cookery be such a mystery—particularly for younger cooks? It's so exasperating to follow the directions of an inviting recipe right down to the letter and then have the cake fall flat, or the roast wither and shrink, or the pie turn soggy and sag.

When fancy dishes flop, do you ever ask: "Who dunnit?"

You can't pin the crime on the butler... so Mama blames the cook book and Papa suspects the cook, but the real culprit is very likely to be incorrect timing and temperature control.

**THE SOLUTION:** You'll have the clue to easy, effortless cooking when you see the new gas ranges. The instantaneous gas flame gives you quick selectivity of proper heat and then uniform temperature cooks as it should.

When the cook book calls for an oven heat of 350°, or 200°, or 500°—just set the thermostat and rest assured that the spacious gas oven will cook evenly throughout and at just the right temperature.

When the cook book specifies quick pre-heating, or tells you to quickly bring to a boil... you have the new, high-speed giant burner to do your bidding. Or when modern cooking methods instruct you to cook vegetables very slowly in just a little water... use the handy simmer burners. And again you have quick heat selectivity at your fingertips when you give meat that delicious flame flavor in the big, smokeless gas broiler.

It's easy to follow cooking instructions when you cook on a modern gas range. So see these new gas ranges now on display at your Gas Appliance Dealer's or at your Gas Company Office. Place your order now to be certain of earliest possible delivery.

## Suit For Heavy Damages Filed Against Unions

PHILADELPHIA, Feb. 4.—(INS)—A four-week impasse between Philadelphia's Dock street produce merchants and two unions resulted in an employers' suit for \$1,500,000 damages against the labor organizations.

Two groups of jobbers and receivers filed the bill in equity after closing their doors nearly a month ago over a drive by an AFL Teamsters' union to organize clerical employees. The bill also asked the court to set a date for a hearing on a preliminary injunction.

Named in the suit was the AFL Local 929, Produce, Poultry, Fish, Oystermen, Drivers and Helpers, the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, an independent union and eight individuals.

Judge James C. Crumlish declined to grant an immediate injunction and fixed Saturday as a date for a hearing on the application.

Prior to the filing of the bill, Rep. Scott (R. Phila.) announced he would aid the merchants in seeking a congressional probe of the situation.

**MELCHOIR INJURED**  
NEW YORK, Feb. 4.—(INS)—Lauritz Melchior, Wagnerian tenor, was nursing a sore toe today.

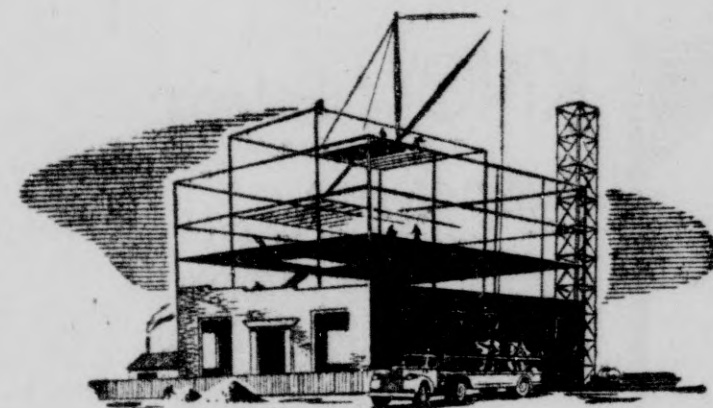

Melchior sprained his toe while singing in "Die Walkure."

He was attempting to draw the

magic sword from a tree trunk but the sword was stuck and the tenor brained his toe trying to get a firm stance to get it out of the tree.

Met fans got an extra long intermission while a doctor bandaged the toe.

**HARRISBURG**—The Pennsylvania division of the American Cancer society has reported only 41 cancer treatment clinics in the state, or one for every 244,000 persons—contrasted with a need for one for every 50,000 persons.

## JANUARY WAS A MONTH OF PROGRESS IN THIS YEAR'S

\$65,000,000

## EXPANSION PROGRAM

We got off to a good first-month start on the \$65,000,000 expansion program that we've planned for Pennsylvania this year.

We're under way with 7 of the 14 new central office buildings that we plan to put up throughout the state.

We started the enlargement of four of our present buildings and we have scheduled the enlargement of eleven others.

We began installing additional equipment in more than a fourth of our central offices.

But that wasn't all...

While we were making strides with new buildings and new equipment, we added 18,500 telephones to the total in service.

January, in short, was a month of good progress. BUT THERE'S A WHOLE OF A JOB REMAINING TO BE DONE. Service must be provided for those still on the waiting list. Facilities must be made available to fill the continued new demand. Service for all must be made better and better. These problems are a challenge to our know-how and to our organization. Their solution will make this our busiest year ever.

The Bell Telephone Company of Pennsylvania

# Navy Will Test More Personnel At High Altitude

Many Attacks Of Aero-Embolism In Recent Tests Prompts Further Study

By FRANCIS MUSIC  
(U.S. staff correspondent)

WASHINGTON, Feb. 4.—The navy is so startled that six of its personnel were struck with attacks of aero-embolism of "bends" during high altitude flying experiments that more human "guinea pigs" will be tested for similar reactions.

The navy department announced today that the "unexpected" physical disorders were encountered during "operation Everest," a high altitude experiment designed to determine the effects of lack of oxygen on pilots.

The recent 30-day experiments were conducted in a low-pressure chamber at the naval air station, Pensacola, Fla. Purpose of the tests is to pre-condition aviators for extremely high-altitude flying.

Reaching 29,025 Feet  
Navy volunteers reached a simulated altitude of 29,025 feet without supplemental oxygen in operation Everest, conducted last summer.

The navy said that scientists evaluating the test have discovered that it "yielded an unexpected physiological by-product." The announcement revealed:

"The by-product was the discovery of attacks of aero-embolism, or 'bends' which struck six of the 20 attendants who entered the pressure chamber several times daily to serve food and give physiological tests to the four navy volunteers within."

The navy disclosed that accordingly a test has been launched "on 150 men of the navy pilot age."

groups and physical qualifications to explore further the possible effects of repeated fast ascents on operational flying.

The navy was surprised by the aero-embolism attacks because the seizures occurred at the moderate altitude of 18,600 feet and at a rate of climb common in modern military aircraft.

It was pointed out that aero-embolism usually does not occur below 30,000 feet.

Investigators were said to hold a preliminary belief that the key factor in the case was the repetition of the ascents several times in the same day.

The unidentified attendants, equipped with oxygen masks, entered the pressure chamber via a lock in which the simulated altitude was raised 4,000 feet a minute until it reached that of the inner room.

Additional tests to explore the mystery more fully will be carried out at the navy's school of aviation medicine at Pensacola.

The navy said that meanwhile, the detailed analysis and evaluation of scientific data obtained from the "Everest" experiment nears completion by its medical experts.

These studies center on physiological adaptations of the volunteers to slowly increasing lack of oxygen or anoxia.

As a result, it may be possible in the future to reproduce artificially the necessary physiological changes in an aviator to acclimatize him quickly before he reached the upper air.

## Gas Companies Curtail Gas Use In Industries

PITTSBURGH, Feb. 4.—(INS)—Industrial shutdowns and large scale unemployment hit western Pennsylvania and eastern Ohio today when three Pittsburgh gas companies ordered cuts of 25 to 100 per cent in consumption of natural gas by industry.

Spokesmen for the gas companies estimated 162 plants will close or operate on a part time basis, idling 9,000 workers.

The curtailment order came as a result of the anticipated cold wave expected to settle over many eastern states later in the day.

The Manufacturers Light and Heat Company ordered a 100 per cent reduction in the use of the fuel. Peoples Natural Gas Co. put in effect a 25 per cent cut, while the Equitable Gas Company cut industrial consumption 50 per cent. Domestic consumers will not be affected by the order.

## Motorists Must Be Responsible

Must Assume Financial Responsibility If They Want To Drive Car

### OTHER NEWS OF COURT HOUSE

For a number of years there has been an agitation in Pennsylvania for compulsory automobile insurance in order to guarantee accident victims against loss. Insurance companies have argued that such policies would result in higher premiums due to careless driving, and states that have tried it report less than satisfactory results.

Pennsylvania's plan seems to be a good one and a number of motorists recently have found that they must take financial responsibility if they want to drive automobiles.

Under the Pennsylvania law if you have an accident and it can be proved to have been your fault, a judgment is placed against you. The fact that you have no assets which can be attached doesn't end the story. Unless you pay the judgment within a reasonable time you get a notice from the Bureau of Motor Vehicles advising you that unless the judgment is paid and a certificate showing payment secured from the probationary, your driving privileges will be suspended. The plan is working.

### ARGUMENT COURT

Judges W. Walter Braham and John G. Lamoree held argument court Monday morning. A number of cases were argued by attorneys representing the litigants. Adjudication will come later.

### LEADING 1946

January of 1947 led January 1946 in the number of instruments recorded in the office of Register and Recorder Orville Potter by 140. The year 1946 set a new record for total instruments recorded but 1947 is starting out at an even dizzier pace.

## Arrest Is Made In Threat Case

PITTSBURGH, Feb. 4.—(INS)—Angelo J. Peluso, 22, of Glassport, Pa., today awaited trial on charges of blackmail and attempted false pretenses, outgrowth of a series of telephoned threats against McKeesport's "rocket-busting" mayor, Charles A. Kincaid.

Peluso was trapped as he was talking with Kincaid from a phone booth, offering to inform the mayor the identities of persons who had made the previous threats. He demanded \$2000 for the information, the grand jury was informed yesterday before indicting Peluso.

DUNCANNON—Spring is just around the corner if you can believe the sign reported by a Duncannon housewife. She spied the first robin of the season just a few days before the end of January.

## "UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when the lower part gets blocked food may fail to digest properly.

What you want for real relief is something to "unblock" your lower intestinal tract. Something to clean it out effectively—help Nature get back on her feet.

Get Carter's Pile right now. Take as directed. They gently and effectively "unblock" your digestive tract. They permit all 5 of your digestive tract to mix better with your food. You get genuine relief from indigestion as you can feel really good again. Buy Carter's Pile today. "Unblock" your intestinal tract for real relief from indigestion.

## Woman's Death Due To Religious Rites Say Police

CLAY, W. Va., Feb. 4.—(INS)—State police today blamed religious rites, during which she drank poison to "prove her faith," for the death of Mrs. Martha Mahela Mullins, 32, mother of nine children.

State Trooper Sam Whitman said Mrs. Mullins died Sunday, 30 minutes after drinking the poison at a religious gathering in a private home in remote Queen Shoals, W. Va.

He said Leander Cadle, 56, was paralyzed from the waist down after taking part in the rite.

The trooper also said a member of the sect told him they had handled venomous snakes at a previous ceremony.

Mrs. Mullins' husband, Wilbur Mullins, told State Trooper O. R. Perrine that, despite the death of his wife, his faith was "unshaken."

The nine children of the young mother, all girls, are from five months to 17 years old.

North America was covered by a layer of ice hundreds of feet thick some 30,000 years ago.

Second, analgesic action gives marvelous relief—brings hours of comforting warmth. Get Pain-Expeller from your druggist today. Only 35¢.

**FIGHT PAIN WITH PAIN-EXPELLER**

Cathedral. Mr. Milstein was due to arrive late this afternoon and will be quartered in the Castleton. Mr. Milstein's program tonight is one of promise. He will open with "Chaconne," the work of a seventeenth century composer, Tommaso Antonio Vitali. For his second number he will present Sonata in G Minor by Johan Sebastian Bach.

His opening number in the second half of his program should be one to capture his audience. He has arranged a set of variations of Paganini's immortal violin music which he has called "Paganiniana." For the rest of his numbers he has gone to a number of composers who featured the early and middle part of the nineteenth century.

HARRISBURG—Modern slang is a sign of growth and not insanity, according to Dr. Max Schoen of Carnegie Tech's psychology department. He pointed out that a "big wheel" was the new and better way of describing a BMOC—big man on campus.

And—it makes no difference where you purchased your watch. You'll BE ON TIME if you have it timed here. No obligation whatever.

### One Week Service On Watch Repairing

### BROTHER AND SISTER DIE WITHIN FIVE HOURS MONDAY

YOUNGSTOWN, O., Feb. 4.—Death called twice within five hours to take a brother and sister, yesterday. The victims were Edwin R. Jonas, 73, a retired jeweler and his sister, Miss Ida Jonas. Both died of heart ailments.

Miss Ida Jonas died in Mahoning Valley Green Cross hospital, Warren, and her brother died in the Youngstown South Side hospital. Surviving are his widow, three sons, Jay of Chicago, Attorney Edwin of Lawrenceburg, Ind., and Robert, Ohio State university student. Miss Jonas, formerly a registered nurse, retired several years ago.

### New Cabinet In Iceland Formed

REYKJAVIK, Feb. 4.—(INS)—Johann Stefansson, Social Democrat party leader, finally announced formation of a new Iceland cabinet today in which all parties except the Communists are included.

After long negotiations, the Social Democrat brought forth his cabinet in which he will retain the premiership and the social welfare portfolios.

Candidates elected to the U. S. Congress but not yet seated, can send mail without stamps by writing their name and "M. C. elect" in place of the stamp.

### Would Prevent Single Union Halting Plant

Congress Asked To Outlaw Industry-Wide Collective Bargaining Program

WASHINGTON, Feb. 4.—(INS)—A Chrysler Corporation official urged congress today to tighten the Ball bill outlawing industry-wide collective bargaining to prevent a single union from shutting down the entire auto or rubber industries.

B. E. Hutchinson, vice-president and finance chairman of Chrysler, told the senate labor committee that the monopolistic tendency is operating in labor with "unexpectedly rapid and dangerous effect".

He condemned the closed shop and recommended that the Ball-Taft-Smith bill completely forbid, instead of merely limit, union welfare funds.

Hutchinson pointed out that pending legislation against industry-wide bargaining would make it possible for one union to "in effect close down the automobile industry or the rubber industry" by representing all the auto workers in Detroit or all the rubber workers in Akron. The bill confines joint bargaining to 100-mile local market areas.

He proposed that the bill permit one union to bargain jointly for workers of competing companies only by crafts and if the firm employs less than 1,000 persons. Hutchinson said:

"A local with 1,000 members is a sizeable local, and an employer of more than 1,000 employees should be able to handle his own labor relations".

### Artificial Cattle Breeding Group To Have Annual Meet

Members Of Lawrence County Artificial Breeding Cooperative To Gather Thursday

Members of the Lawrence County Artificial Breeding Cooperative, of which W. W. McMillin, of Chewton, is president, will gather in the First U. P. church on Thursday for the annual meeting of the group, it was announced today.

The sessions will start at 10:30 o'clock, with a dinner at noon, served by the ladies of the church, followed by an afternoon program.

Reports will be given by the officers of the Cooperative and Technician Guy Davis, of Wampum. Dr. J. Robert Brown, local veterinarian, will discuss breeding troubles of dairy cattle, and R. H. Olmstead, dairy extension specialist of Penn State College, will discuss the progress of artificial breeding in Pennsylvania, and what dairymen can expect from the program being carried out in the state.

A "hall of rubber" is reported in the Dutch East Indies. Sounds like an ideal practice spot for would-be mountain climbers.

The 15,000 members of 118 junior chambers of commerce in Texas form the largest group of Jaycees in the nation.

### GI FAMILIES LEAVE FOR ITALY

READY TO BOARD a plane at LaGuardia Airport, in New York, are some of the fourteen GI wives and twenty-two children who will join their husbands and fathers in Italy. Some of the families will be based forty miles from Army posts due to the Italian housing shortage and won't be able to see the soldiers for weeks at a time. (International)

### Synthetic Gasoline Possible Within Few Years Says Krug

WASHINGTON, Feb. 4.—(INS)—The Interior department said today that production of low-priced synthetic petroleum products, including gasoline, on a commercial basis is possible within a few years.

In a report to Congress, Secretary of Interior Krug revealed progress in the government research program to develop new methods of producing petroleum products from coal and oil shale.

Dr. R. E. Sayers, director of the Bureau of Mines, declared that synthetic petroleum products may pour into the commercial market in the next few years if the present rate of research progress continues.

Krug reported that synthetic gasoline now can be produced from coal or oil shale at a cost of seven and one-half to nine and one-half cents a gallon, only a few cents higher than the cost of gasoline from petroleum.

Despite the promising outlook for synthetic petroleum products, the interior secretary warned that replacement of any large segment of production from natural crude oil will require many years of conversion and construction.

### Chapman, Frohner Enter Not Guilty Pleas To Murder

YOUNGSTOWN, Feb. 4.—Pleas of not guilty were entered yesterday afternoon by Arthur Ned Chapman and Don Frohner. The 16-year-old schoolboys were indicted on charges of first degree murder while attempting a robbery.

The youths are accused in the slaying of William C. Speth, 52, an Ashtabula salesman on the Youngstown-Canfield road, January 13. They are also held on a charge of plotting the kidnaping of Richard Masters, 16, a school companion. The boys were arraigned yesterday before Common Pleas Judge David Jenkins.

### Baby-Sitter Is Shooting Victim

Pittsburgh Baby-Sitter Wounded, Apparently By Estranged Husband Of Employer

PITTSBURGH, Feb. 4.—(INS)—Anna Belle Landman, 20-year-old Pittsburgh baby-sitter was shot and wounded today by the estranged husband of the woman whose children she was watching.

Police said a single shot from a small caliber rifle struck her in the left hand and the chin.

James Griffin, 27, was sought by police for the shooting. Officers said he apparently was hunting a woman, Frances Bastone, 22, who lived with his wife and who he was blamed for breaking up his home.

### Capone Burial Plans Secret

CHICAGO, Feb. 4.—(INS)—Al Capone's body still rested in a temporary receiving vault at Mount Olivet cemetery today, with secrecy surrounding Capone family burial plans.

When the cemetery gates were closed at 5 p. m. yesterday, Mount Olivet officials refused to discuss the possibility of a secret night burial.

They said grave diggers have been known to work at overtime pay after closing time for overtime pay.

Capone family members asserted they had made no special arrangements for a night burial.

A burial permit was issued yesterday, but the Joseph Rago funeral home said it had received no burial instructions.

The Capone family plot contains the remains of Al's father, Gabriele, and a brother, Frank, who was slain by a policeman in 1928. There is no other space available in Mount Olivet.

### MRS. EMMA ANDERSON DIES ON MONDAY AT BEAVER FALLS HOME

Mrs. Emma L. Anderson, aged 81, former resident of New Castle and widow of Cassius B. Anderson, died Monday at the home of her son, W. H. Anderson, 608 Sixth avenue, Patterson Heights, Beaver Falls, after an illness.

Mrs. Anderson, who was a member of the First Baptist church of Beaver Falls, is survived by two sons, W. H. Anderson of Beaver Falls and L. L. Anderson of Pittsburgh. Three grandchildren also survive.

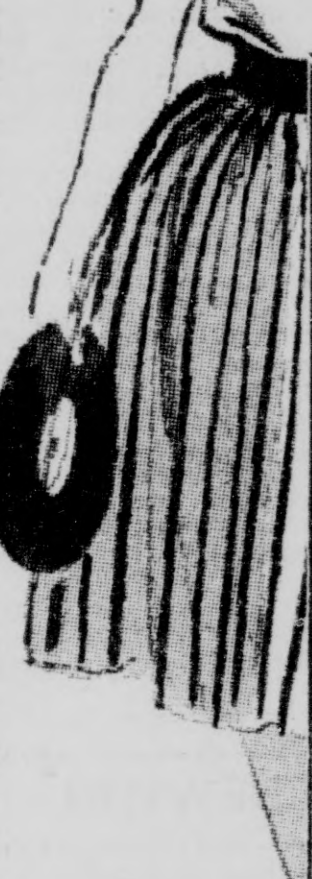

Funeral services will be conducted Thursday afternoon from the home of her son, W. H. Anderson, Beaver Falls, at 2:30 o'clock. Interment will be in Grove cemetery, New Brighton.

ORDER RESTAURANT CLOSED PITTSBURGH, Feb. 4.—(INS)—City health authorities today closed a small Pittsburgh restaurant following the death Monday of a patron and illness of two others.

Police said Edward J. Cunningham, 40, died in a Pittsburgh hospital an hour after eating a ham sandwich and drinking a cup of coffee in the restaurant. Two companions also became ill and were hospitalized.

Officials held up a report on the cause of death pending chemical analysis of the contents of Cunningham's stomach.

## Senators Plan Statement On A-Bomb 'Leak'

WASHINGTON, Feb. 4.—(INS)—Senate members of the Atomic committee today considered issuing a statement refuting what they regard as exaggerated reports on secret testimony given the group by Bernard Baruch.

Committee members were "disturbed" over published reports that Baruch had told the group secretly that certain United States atomic information had "leaked" to Russia.

One member of the committee said that Baruch's testimony carried "neither the implication nor the connotation" attached to it in published reports.

Sen. Hickenlooper (R) Iowa, chairman, said he would discuss the matter with other members at a session this afternoon. He said the committee may agree on a statement regarding Baruch's testimony.

**No Secret Information**  
Another senator said that Baruch's testimony included no secret information that could not well have been told publicly.

He said that the atomic expert would have been embarrassed in recounting incidents involving other government officials in connection with formulating the Baruch plan.

Committee members agreed that Baruch's testimony did not change the committee's attitude toward security.

They pointed out that the question of security safeguards has been hampered by constantly by all witnesses, and that Atomic Commission Chairman David Lilienthal is on record as saying emphatically that guarding nuclear secrets is the "number one problem" of the commission.

**James Davelli Gets Promotion**  
Mr. and Mrs. Frank Davelli, 1014 Williams street, have received word that their son, James, who is stationed in Tokyo, has been promoted from the rank of corporal to that of sergeant.

Sgt. Davelli is stationed with General MacArthur's troops in Tokyo and February 9 will be 19 years of age. At that time the men of his outfit will stage a party for him in the enlisted men's club.

## PASTORS ASK FAIR AT STONEBORO TO CLOSE ON SUNDAY

SHARPSVILLE, Feb. 4.—After several pastors of the Stoneboro area took initial action, five Sharpstown ministers today formally protested to Stoneboro Fair authorities against Sunday operation of the fair in a letter sent to the fair association secretary.

The protesting ministers pointed out that operation of the fair on Sunday is not in accord with the commandment of God and it tends to desecrate the sacredness of the Lord's Day. The fair is scheduled to operate on Sunday, Aug. 31, 1947.

## Cold Wave Will Strike Atlantic Coast Tonight

WASHINGTON, Feb. 4.—(INS)—The weather bureau warned today that the cold wave which struck the northern plains states yesterday is moving eastward and will bring Atlantic coast temperatures down to 15 degrees tonight.

The weather bureau said in a special bulletin:

"The cold wave attended by northwest gales and snow squalls over the northern plains yesterday morning has moved over the upper Mississippi valley, the Missouri valley and the Great Lakes region and the Ohio valley."

"The leading edge of this cold air has now reached western New York, western Pennsylvania, West Virginia and eastern Tennessee."

"This cold air will spread eastward to the Atlantic coast, causing cold wave conditions in the Middle Atlantic states, the Appalachian mountains, the Ohio valley, Tennessee and Kentucky tonight."

**HIGHWAYS SLIPPERY**  
HARRISBURG, Feb. 4.—(INS)—Slippery driving conditions in the northwest and northcentral sections of Pennsylvania were reported today by the State Highways Department.

The department said all main roads in the areas had been cleared and snow up to one inch was reported in Erie and Crawford counties.

Snow flurries were expected in Western Pennsylvania with temperatures to range from five to 15 degrees above zero.

**GAS STATION ROBBED**  
REPUBLIC, Pa., Feb. 4.—(INS)—Two masked robbers last night held up Charles Kenton and Jack Rodman in a service station on the outskirts of Republic and robbed the cash register of \$55.

## Sister En Route To Palestine In Hope Of Saving Brother

Lancaster Woman Making Trip By Plane To Intercede For Dov Gruner In Palestine

NEW YORK, Feb. 4.—(INS)—Mrs. Helen Friedman, Lancaster, Pa., housewife, arrived in New York today prior to her departure for Palestine by plane in an attempt to save the life of her brother Dov Gruner.

Gruner is the 33-year-old Ex-Emist who is sentenced to be hanged for his underground activities.

Mrs. Friedman said that the death penalty is "too severe."

"It is much bigger than saving Dov's life. There will be fights, retaliation and bloodshed. The penalty is definitely too severe."

"He has no police record. There should be some consideration given to his five and a half years of army service for the British."

"He went through fighting in Africa, Italy, Germany and Holland with a Jewish brigade."

She described her 33-year-old brother, who is younger than herself, as "a quiet man with firm convictions."

Mrs. Friedman said her brother's attorney, Osha Levitsky, had urged her to come to Palestine as soon as possible.

**CHEWTON**

**CLASS MEETING**  
Class No. 8 of the Chewton Christian Sunday School will hold their regular monthly business meeting at the Red and Gun Club on the Ellwood-Wampum road on Saturday evening, Feb. 8. The meeting will start at 6:00 with a fish fry. The meeting is in charge of Mr. and Mrs. Elmer Badger and Mr. and Mrs. Glenn Hennon.

**CLASS MEETING**  
Class No. 3 of the Chewton Christian Sunday School met at the home of Mrs. Albert Lutz of Wampum for a regular monthly business meeting on Friday evening. A business meeting was conducted by the president and plans were made for future meetings. The remainder of the evening was spent in social chat. At a late hour a delicious lunch was served by the hostess and a committee.

**MERRY BELLES CLUB MEETING**  
The Merry Belles Club held their regular meeting at the home of Mrs. Emma Guy recently. The meeting was in the form of a spaghetti supper. The hostess was assisted by Mrs. Ruth Guy. After supper the members were invited to the living room and the business meeting was opened by the president, Emma Guy. The minutes were read by the secretary and the election of new officers took place. At the close of the business meeting the members enjoyed the rest of the evening playing games in which prizes were awarded. The next meeting will be held at the home of Mrs. Pansy Johnson on the Ellwood-New Castle road. Miss Ada Louise Guy was a special guest.

**ENTERTAINS AT DINNER**  
Miss Ada Tillia was a pleasing hostess on Saturday evening when she entertained at a 6 o'clock dinner at her home. Those enjoying the dinner were Mr. and Mrs. George Kyle and son James, Miss Belle Kyle and John Kyle of Mount Jackson, Mr. and Mrs. Robert Tillia and P. J. Tillia.

**CHOIR PRACTICE**  
The Chewton Christian Church choir will meet in the church auditorium for practice on Friday evening at 7:30.

**CHEWTON NOTES**  
Mr. and Mrs. Robert Huffman and daughter Sandra have moved from the home of the latter's parents to the house owned by Michael Pozzuto and recently vacated by Mr. and Mrs. Daniel Pozzuto.

Dewey and Ralph Davis have returned to Detroit, Michigan, after having been called here by the death of their father, Mr. Edward J. Davis.

Mr. and Mrs. Earl Allen and sons, attended a birthday party honoring Keith Stevenson at his home in Newport on Saturday evening.

Mr. and Mrs. Howard Chappell, a recent bride and bridegroom, have moved into the upper part of the house formerly occupied by Mr. and Mrs. William Springer. Mr. and Mrs. David Kelly and son have recently moved into the first floor apartment.

Mrs. John Prickeknish and infant daughter, Caroline, have been discharged from the Mary Evans Maternity Hospital in Ellwood City.

Mr. and Mrs. Eugene Tillia and P. J. Tillia attended the funeral of Mrs. Ella Ritchie in New Castle on Friday.

Robert Dombek, Sr., is confined in the Ellwood City Hospital for treatment.

Glenda Lee Hennon, who has been confined to her home by illness for the past week is improving.

Mr. and Mrs. Moulton L. Ferguson of Princeton, visited at the home of Mrs. Eliza Conner on Sunday evening.

Thomas, infant son of Mr. and Mrs. David Stanford, has improved sufficiently from pneumonia to be brought home from the New Castle hospital.

**LARGEST WOOL POOL**  
MERCER, Pa., Feb. 4.—(INS)—Fred McDowell, president of the Mercer County Woolgrowers Association, today announced the county's wool pool in 1946 was 45,549 pounds, largest in Pennsylvania.

**McBRIDE POST TO MEET**  
Cpl. Harry L. McBride Post No. 322, Veterans of Foreign Wars, will meet Wednesday evening at 8 o'clock in the post home, West Grant street, when a large class of candidates will be initiated.

**INJURED IN COLLISION**  
Russell Maltz, aged 67, of Ellwood City, was treated at the Jamieson Memorial hospital at 4:30 p. m. Monday for abrasions of the scalp, received in an auto collision at the corner of North Mercer street and Garfield avenue.

## "SCOUTS OF THE WORLD—BUILDING FOR TOMORROW"

FEBRUARY 7-13, 1947

## BOY SCOUT WEEK

Nearly 2,000,000 Cub Scouts, Boy Scouts and Senior Scouts will observe the 37th anniversary of the Boy Scouts of America during Boy Scout Week, Feb. 7th to 13th. Through their World Friendship Fund of voluntary gifts the Boy Scouts of America have given \$110,464.36 to help Boy Scouts overseas rebuild their organizations.

During the first year of their "Shirts-Off-Our-Backs" project more than 400 cases—or twenty tons—of Scout uniforms and equipment collected from Scouts were contributed to Scouts in 13 nations. Scouting has always been an active force in promoting better understanding and mutual goodwill among the nations. Above is the official poster marking the event.

## Practical Security Must Come First In Any Disarmament

LAKE SUCCESS, N. Y., Feb. 4.—(INS)—The United States told the security council today that "practical security arrangements" must come first in any disarmament program.

The challenging statement in the wake of renewed anxiety that the atom bomb secret may have leaked out to the Russians was made before the eleven-nation security council by Warren R. Austin, principal United States delegate at Lake Success.

It was the first sitting of the council on disarmament and atom control since two weeks ago, when Austin persuaded the other members to suspend further discussion on the deadlocked issue until today to give him time to consult President Truman and Secretary of State Marshall.

Austin today prefaced his statement with an explanation that the revised resolution he formally introduced was the outcome of informal consultations in past days with all other members of the council and that it represents the "finest leaders of thought in America."

The action came shortly after Rep. Eaton (R) N. J., committee chairman, revealed that Marshall had accepted an invitation to discuss with the committee his policies and program prior to departure for Moscow.

The committee rejected the resolution sponsored by Rep. Rogers (R) Mass., after Eaton pointed out that the group has already agreed to an earlier resolution to make a "detailed study" of the organization, policy and personnel of the state department.

Eaton revealed that Marshall has offered his complete cooperation in the committee's inquiry.

**Question Three In Recent Safe Burglaries Here**  
Three young men were taken to detective headquarters today for questioning in connection with recent safe burglaries here, according to police.

One of them was taken into custody today for investigation by Lieutenant Kennedy and Patrolman Price, and later, his two companions walked into police headquarters and asked Sergeant Smith if they were wanted by police.

State, county and city police are conducting the investigation.

**Reduced Airmail Rates Sought For Overseas Papers**  
WASHINGTON, Feb. 4.—(INS)—The Post Office department today called for special reduced airmail rates on shipment of United States newspapers and news publication to foreign countries.

Postmaster General Hannegan said he has petitioned the Civil Aeronautics board to wipe out the discrepancy between airmail rates and air express rates for newspapers "to open the way for increased American news being received in foreign lands."

Hannegan explained that it now cost \$4.50 a pound to send newspapers to London by air mail as compared with only \$1.22 by air express.

He declared that the higher rates for airmail are in effect "a surcharge."

This surcharge of news does not correspond with any idea of freedom of the press. Our international mail system, established by agreements, should be made available to news without the special penalty."

**Parent-Teachers**  
Clenmore P.T.A.  
Clenmore P.T.A. will meet this evening at 8 o'clock in the school building.

**SEEK \$150,000 GOAL**  
HARRISBURG, Feb. 4.—(INS)—A goal of \$150,000 for the 1947 Red Cross fund campaign for the capital city area was announced today at Harrisburg.

Col. William E. Miller, chairman, said the drive would include parts of Cumberland and Perry counties as well as Dauphin county.

## Airline Noses Over At Willow Run, But No One Is Injured

Thirteen Passengers Uninjured In Slight Crack-Up In Landing At Airport

DETROIT, Feb. 4.—(INS)—Thirteen airline passengers escaped injury today when a United Airlines DC-4 flying from Seattle to New York nosed over at the Willow Run Airport.

Bent propeller tips was the only damage.

A company spokesman said the passengers, most of them flying through to New York, have been accommodated and are enroute to their destination.

He reported the plane landed safely but as it drove down the runway the landing gear collapsed.

The company official stated that no one was hurt or even jarred in the accident.

## Resolutions On Pipe Line Sales Is Withdrawn

HARRISBURG, Feb. 4.—(INS)—A resolution memorializing Congress to halt sale of the Big and Little Inch pipe lines was killed today by the Senate mines and mining committee.

The action was an aftermath to the indirect approval given by Congress to sale of the warborn pipe lines. A 30-day period during which Congress could have delayed sale expired yesterday.

"In view of the action taken in Washington, the committee on mines and mining felt any further action at this time would not be feasible," said Sen. A. H. Letzler (R) Clearfield, chairman.

There was no indication, however, that the legislature would allow the threat of natural gas to Pennsylvania's coal economy to go unchallenged.

The resolution was co-sponsored by Letzler and Sen. Montgomery Crowe (R) Monroe.

## Worst Snow Storm Of Winter Slows District Traffic

(By International News Service)

Motorists battled one of the winter's worst snow storms in Western Pennsylvania today as a 35-mile-an-hour, with strong gusts up to 50-miles-an-hour, slowed traffic to almost a snail's pace.

Ice coated streets in Pittsburgh snarled traffic as cinderling crews and city employees vainly sought to keep traffic moving. All flights from the Allegheny County Airport were halted.

Automobile clubs reported roads into West Virginia were impassable at noon. Ice and small snow drifts were reported on the Pennsylvania Turnpike.

The Weather Bureau said the low temperature would be about five above zero tonight. Earlier the bureau predicted zero. Meteorologist Henry Rockwood said the cold wave blowing in from the northern plains was moderating slightly as it neared the Atlantic seaboard.

The temperature in Pittsburgh at noon was 15 above.

## Attendant Talks Young Bandits Out Of Robbing Station

PITTSBURGH, Feb. 4.—(INS)—A stubborn but kindly Pittsburgh gas station operator today related how he squelched the budding crime careers of two young would-be bandits.

A M. Heyl told police the youths held him up last night and ordered him to lie on the floor. He replied: "I don't lie on the floor."

Told to go to the wash room, he refused to budge, adding: "You want money. Here's a dollar—now go home to bed where you belong."

The youths fled.

## Order Arrest Of Franz Von Papen

NUERNBERG, Feb. 4.—(INS)—The German denazification court trying former diplomat Franz Von Papen ordered his arrest today on grounds of perjury.

The court declared Von Papen had perjured himself in giving testimony regarding the political testament of the late Chancellor Paul Von Hindenburg handing over power to Hitler.

His arrest will not interfere with Von Papen's present trial, which will resume tomorrow.

**WOULD TAX APPLES**  
HARRISBURG, Feb. 4.—(INS)—The House had before it today a bill levying a one cent a bushel tax on Pennsylvania-grown apples.

The measure, sponsored by Rep. George Goodling (R) York, would create a state apple board in the Department of Agriculture to advertise and conduct research in connection with the apple industry.

**DAZED IN ACCIDENT**  
George Reiser, 222 Garfield avenue, was dazed considerably early this morning when his auto struck the parked car of Walter McAnaney, 223 Sycamore street, in North Beaver, near Grant street, according to police.

Word has been received by Mrs. Louise Vogus of rear 1010 Cunningham avenue, of the birth of a son, February 2, to Mr. and Mrs. Clifford Cartwright, of Baltimore, Md. Mr. Cartwright is a former resident of this city.

Kissing in winter is dangerous, says a health official. We get it, a fellow in winter should avoid draughts, cold feet and mistletoe.

## Bridge And Tunnel Proposed By Beard For San Francisco

WASHINGTON, Feb. 4.—(INS)—A joint Army-Navy board today recommended a six-lane combination bridge and tunnel across San Francisco bay to ease traffic congestion on the bay's two great spans.

The board presented a report to the secretaries of war and navy calling for a 261 million dollar low level crossing connecting San Francisco from the foot of Army St., with Fifth Ave., in Alameda.

**Four Lane Tube**  
A continuation to the Oakland mainland would be effected by a cross-island freeway and a new four-lane tube under the Oakland estuary, emerging in the vicinity of Fifth, Clay and Washington streets in downtown Oakland.

The main crossing from San Francisco to the Alameda shore would be slightly more than six miles long.

The board studied the feasibility of a bridge crossing supplemental to the Golden Gate and San Francisco-Oakland bridges under a house resolution passed by the last congress.

Basements in a dozen homes were flooded before city emergency crews could shut off the water. Police reported three men were marooned atop their auto and had to be rescued by firemen.

Water main bursts

PITTSBURGH, Feb. 4.—(INS)—Water flooded a north side Pittsburgh street to a depth of 3½ feet today when a 24-inch water main burst.

Basements in a dozen homes were flooded before city emergency crews could shut off the water. Police reported three men were marooned atop their auto and had to be rescued by firemen.

## New Note in Sophisticated Smartness

The Chrysler Town and Country Six-passenger Convertible shown above is scoring a triumph among owners who seek the last word in distinctiveness in their motor cars. The body of this convertible is built of white ash with mahogany panels on plywood plates. The woods are left in their natural colors. Interiors are finished in combinations of saron and leather or Bedford cord and leather that lend themselves to particularly artistic treatment. The car is built on a Chrysler "New Yorker" chassis and is powered by an eight-cylinder engine. Gyrol Fluid Drive and the Hydraulically-Operated transmission contribute to its fine performance. Generous size of the body members gives stability and freedom from squeaks and wearing.

# New Castle High Battles Ambridge On Valley Court Tonight

## Locals Hope To Repeat Victory Over 'Bridgers'

New Castle High "Whiz Kids" Anxious To Annex Third Victory In Section

### BEAVER FALLS HERE FRIDAY

Heartened by their recent 45 to 42 victory in Section III over Ellwood's dangerous Wolverines, the New Castle "Whiz Kids" basketball team will have their work cut out for them this evening when they invade the home court of the Ambridge High quintet.

Particularly is the New Castle team anxious to repeat the win over Ambridge that sent their stock soaring sky-high in the first Section III game here last month. New Castle took 42 to 38 in a rough and woolly battle.

Coach Bill Douglass is not looking for an easy time tonight. Ambridge with their "big three"—Stepanik, Knopik and Moran—can make it pretty unpleasant on the valley floor. "We are not kidding ourselves, we know what we are in for tonight," Ambridge will be fighting mad in this one and will be determined to win," Douglass remarked.

**Same Starting Lineup**  
New Castle will use the same starting lineup that faced Ellwood. Douglass intimated, with Don Black and Wayne Gray at the forward posts, Chuck Rea at center, and Don Wetters and probably Marcolli at the guards.

Don Spears is sure to see a lot of action tonight and so is Gribble and possibly Pears and Janacene along with big Al Tate, who is showing up quite well.

New Castle is not lacking in strong replacements for the remainder of the year, particularly at key positions, a factor that may win a lot of games here in.

The New Castle team will leave the "Y" at 5 o'clock for the scene of the game by bus, it was announced by Faculty Manager Robert Mills.

Beaver Falls High, holding a 44 to 43 win over New Castle in the second game of the loop season, will be here Friday night at Washington High floor and the locals are determined to erase that sting if possible. A win tonight will put them in the right frame of mind to hand the Tigers a real lacing here Friday.

## HOUSE LEAGUE GAMES

Two House league games will be played tonight at the "Y" as follows: at 6:30 o'clock, Milton A. C. and the Redskins; and at 7:30 o'clock, South Side Lions and Keystone.

A full-fledged college course in fly tying and fly casting has been inaugurated at Penn State.

TIME may not be too far distant when the trout stocked in the public streams of the Keystone state will be the offspring of pedigreed stock, the state having embarked upon an experiment of breeding "pedigreed" trout at its Huntleydale hatchery.

Horses, dogs, cattle, flowers and vegetables developed through this process are usually outstanding performers and command top market prices because of their ability to reproduce their own desirable characteristics. The commission points out, Growth form, coloration, egg production and fighting quality may be improved through the breeding program which adds that "line breeding was launched on a limited scale at the Bellefonte hatchery in 1940."

Shenango Valley Beagle club will hold the annual banquet at Sylvan Heights, Saturday evening, February 15. Raymond Stoughton, one of Harlanburg's top hunters and known thereabouts as "Eagle Eye" was a New Castle visitor, Saturday.

Sheriff Frank Coen, president of the Lawrence County Sportsman's Association, reported today he has written Congressman Louis E. Graham, requesting blanks so fishermen here may apply for federal bass, trout, catfish, bream, and possibly one or two other species. He said the membership of the Lawrence County Sportsman's Association is growing, and points out that, with more than 11,000 licensed hunters in 1946, there should be at least half the number as members of some sportsman's organization in Lawrence County.

He said that, through strong organization results could be best obtained relative to stocking of fish and game. The Sportsman's Association will buy birds for spring stocking. Already the organization has stocked 240 rabbits, in addition to those stocked by Game Protector William Overturf. The state game commission sent 360 for stocking in Lawrence County. Protector Overturf is trapping rabbits and releasing them in rural haunts. The next meeting of the LCSA will be held February 11, in the courthouse.

New York Journal-American reported yesterday it learned that, the New York State Athletic commission has decided to suspend Rocky Graziano, leading middleweight title contender, for a year because of his failure to report a \$100,000 bribe offer to "throw" a fight. The commission's postponed hearing of the case was to be heard today. Associates said that, if Graziano is suspended, his battery of legal counsel is prepared to battle the order to the highest court.

Women on a St. Joseph, Mo., jury became vexed when deputies passed out pinocchio decks. They demanded bridge decks—and got 'em. There's a galaxy of boxing talent, of members of Cauliflower Ear so-called these days, according to a clipping received from Life Guard Jack Herbert. It says there at present are: Johnny Dundee, former lightweight king; Jack Kearns, manager of Joey Maxim, a heavyweight who boxes Marty Clark tonight; Bill Duffy who managed Primo Carnera, as a fighter; Tommy O'Loughlin, who boxed heavyweights although he was only a cruiserweight; Jack Laken, globe-trotting manager; Jake LaMotta, middleweight; Max Baer, who beat Max Schmeling; Maxie Rosenbloom, Tony Canzonero, former lightweight king, and Barney Ross, also an ex-champion, and Billy Conn.

Most elaborate pension program ever undertaken by a professional sports was adopted in New York when the National and American leagues, agreed to a plan assuring veteran ball players an income ranging from \$50 to \$100 a month on reaching 50 years of age. Under the provisions, a player, after serving five years in the majors, shall receive, on reaching 50, an income of \$50 per month for life. Each additional year of service will increase the pension amount \$10 a month, until a maximum of \$100 is reached for 10-year men and over. To insure this huge pension program, which within a few years will involve several thousand players, it is estimated by its underwriters, the Equitable Life Assurance Society of the U. S., that an annual pool of about \$675,000, will be required. This amount will be raised by dues from players, contributions by the ball clubs, the total receipts from the annual All-Star game and the \$150,000, which some sponsors pay for the world series radio broadcasting rights.

## Fontaine Stops Jimmy Collins

Arnold Gets Off Floor To 'Kayo' Lennox; Weasel Beats Transparenti

PHILADELPHIA, Feb. 4.—(INS)—Milwaukee's Juste Fontaine stretched his victory streak with another kayo today after cutting down Philadelphia's scrappy Jimmy Collins in the eighth stanza of a scheduled 10-rounder at the Arena.

Referee Charlie Daggart stepped between the battlers as Choir Boy Collins, covered with crimson, reeled dazedly under the barrage from Fontaine.

**Right Brings Victory**  
Billy Arnold came up from a one-count in the first round to rock Lennox Dingle to sleep in the sixth frame of the second of a trio of scheduled 10-rounders which formed the night's card. A paralyzing right felled Dingle for the second time in the round and Daggart didn't bother counting beyond "two."

**Out in Sixth**  
The other featured bout was also a slam-bang affair which left fighters in a frenzy as hard-hitting Willie Weasel kayoed Baltimore's Lou Transparenti in the sixth round. Transparenti called it quits when a right uppercut sent him down for the sixth time.

**SNEAD AFRICA BOUND**  
NEW YORK, Feb. 4.—(INS)—Slammin' Sammy Snead, long-hitting golf pro from Hot Springs, Va., was en route Monday to Johannesburg, South Africa, where he will play exhibition matches against Bobby Locke, South African pro.

## Ex-Pilot Gets Off Floor To Flash K.O.

NEW YORK, Feb. 4.—(INS)—Sanders Cox, Dallas, Tex. heavyweight who piloted a B-29 over Japan during the war, today held a ring record of five knockouts in eight matches.

Cox got off the floor at the St. Nicholas Arena last night to knock out Harry Bernsten, of Norway, in the third round. Cox had dropped the Norwegian in the first round, only to be floored himself for a count of nine in the second heat.

## Champ Zale Wins In Sixth Round

OMAHA, Neb., Feb. 4.—(INS)—Middleweight boxing champion Tony Zale, of Garry, Ind., today boasted a six-round technical knockout victory over Deacon Logan of St. Louis.

The bout was scheduled to go 10 rounds last night but was called short by Referee Alex Fleder when Logan slipped on a hole in the ring floor and fell, spraining his shoulder. Zale was well ahead on points at the time. His 160-pound title was not at stake.

## Oakland Sportsmen To Meet Wednesday

Members of the Oakland Sportsmen club will have an important regular monthly business meeting at the K. P. hall at 8 o'clock Wednesday, it was announced by President Joseph Waskins.

All members are asked to try and attend this session and to lend impetus to the rapidly growing organization as matters of the recently purchased property will be taken up for discussion among other things.

## SECOND REMAINS UNDEFEATED IN CHURCH LEAGUE

Second U. P. Brezing Through Second Half Race, Wampum-Epworth Also Win

Second U. P. church basketball team, first-half champs in the New Castle church league at the "Y" continued their sensational pace by winning from the strong First U. P. team last night with apparent ease at 59 to 33. It was the fourth win for the Dick Davis managed and coached team in the second-half, and their 15th straight without a defeat in the league to date.

The Pitzer brothers, Bob and Francis continued to be big guns in the Second U. P. attack with 35 of the points between them, with big "Huck" McGary kicking in with 17 points to help out. Bob Jackson led the scoring for the losers with 12 points.

**Epworth-Wampum Win**  
In other games last night the Wampum team put the Central Christians to rout with a 54 to 25 score with the two Marshall brothers, the outstanding stars with 30 of the points, followed by McMillin and Downey with 12 and 10 respectively. Whitesides was best for the South Siders. Epworth hung a 47 to 34 defeat on the Trinity team with the aging Elmer "Zeke" Wainio top scorer with 11, followed by O'Brien with eight. Best for the losers was Erce with 13 points.

## Ted Williams Signs His 1947 Contract

Report Home Run Hitter Will Get More Than \$70,000 For This Season

BOSTON, Feb. 4.—(INS)—Ted Williams, home-run hitting outfielder of the Boston Red Sox, signed a contract Monday which calls for a 1947 salary of more than 70 thousand dollars.

Williams signed the contract at a half-hour conference with Eddie Collins, general manager of the club. After the conference, Collins announced:

## Pulaskis Meet Manorville Five

With their sights set on their 23rd win of the season, the strong K. Pulaski "Big Five" will play the Manorville Ironmen tonight at the K. P. hall beginning at 8 p.m. The visiting squad is composed of ex-Ford City high and college aces.

In the prelin, slated for 7:15, the powerful Pulaski "Cubs" will be out to register their 20th victory of the season against the "Y" seniors.

## PURDUE HEADMAN - By Jack Sords

HE HOLDS THE DISTINCTION OF HAVING BEEN SELECTED ON ALL-CONFERENCE TEAMS THREE STRAIGHT SEASONS

## Section Floor Games Tonight

Section III  
New Castle at Ambridge.  
Sharon at Ellwood City.  
Aliquippa at Beaver Falls.

Section XXI  
Union at Bessemer.  
Mt. Jackson at New Wilmington.  
Shenango at East Brook.  
Princeton at Wampum.

## Yaros To Box Bee Bee Tonight

Middleweights Are Substituted For Sheppard-Sarin Bout; Sarlin's Nose Broke

PITTSBURGH, Feb. 4.—(INS)—The more than somewhat muddled fist-wrest around Pittsburgh and its environs—especially as it applies to the national fistic picture—may be cleared a bit tonight.

Tommy Yarosz, who claims he is the most side-stepped middleweight in the business, meets tough Bee Bee Washington of Washington D. C. The two are booked in a substitute match of ten rounds at Pittsburgh's Gardens.

Curtis (Hatchet Man) Sheppard, formerly of Pittsburgh and now of Baltimore, was to have met Erv (Butcher Boy) Sarlin of Pittsburgh. Sarlin came up with a fractured nose, suffered in training and caused postponement of the scheduled bout.

## Baxter Beats Lee In Chicago

Local Boy Scores Win In Semi To Beckwith-Bivins Bout

Russell Baxter, local middleweight, made a good debut in the Chicago Coliseum last night by defeating the highly touted Jimmy Lee of Chicago in the semi-final to the Jimmy Bivins vs. Booker Beckwith fight which Bivins won by a TKO in the fourth.

## Bivins Scores TKO In Chicago Ring

CHICAGO, Feb. 4.—(INS)—Jimmy Bivins, Cleveland heavyweight fighter, today possessed a four-round technical knockout victory over Booker Beckwith, Chicago lightweight, which was disputed by many boxing fans who witnessed the bout.

Beckwith went down from a left hook to the jaw as the bell ended the third round of their set-to last night at the Chicago coliseum.

The Chicago boy was unable to continue when the bell rang for the fourth round. Referee Bernard Weissman awarded Bivins a technical knockout as a result.

## Universal Baseball Meeting Thursday

Universal Pottery baseball players and all other interested in trying out for the team this year will have a meeting at 8 o'clock Thursday evening, Feb. 5, at 1905 Moravia street extension, it was announced by Harry Park, business manager.

All last years squad—also Johnny Razzano, Aloe, Bing Markey and Fred Shaffer—are asked to attend.

## Section III Point Race Three-way Tie; Mayberry County Ace

Black Of New Castle, Cerevola Of Aliquippa, Hammond Of Farrell Snarled In "A" Loop With 70 Points Each; Shenango Center Shows Way In Section 21.

With the teams rounding the half-way post in the Section III title race, the individual scoring race is a three-way split involving Don Black of New Castle, Joe Cerevola of Aliquippa, and John Hammond of Farrell.

These three lads, each with 70 points, are galloping along like three thoroughbreds in the Kentucky Derby in one of the hottest sprints for honors in many seasons.

Hammond Moves Up  
Most phenomenal rise has been that of Hammond, the big sophomore Negro of Farrell, who has leaped from ninth (January 17 listings) to challenge the other pacesetters. The rangy Steeler pivot man ran wild in his team's upset of Sharon to bank in 19 markers, Friday night.

Held to eight points as his team tasted its first defeat, Bane Weber, Sharon's leader as of Jan. 17, has now slipped to fifth place with 66 Ray Stepanik, Ambridge high's big gun, is a half behind the leaders with a 69 total.

Other players who have caged 50 or more points include Eddie O'Hara of Ellwood and Dave Why of Beaver Falls, each with 55, Lloyd Cable of Aliquippa with 54 and Jake McCandless of Beaver Falls, 53.

**Mayberry Still Hot**  
It seems the only thing that can halt the scoring rampage of Sheppard's high lanky Don Mayberry is tying one hand behind his back. The Wildcat luminary had another big week, running his total to 132, 13 points better than Emery of Mt. Jackson who has tipped in 119.

Dave Kanagy of Wampum has dropped to third, but has 111 to be a serious contender for the county honors. Other potentials are Bader of Mt. Jackson, with 87; Frankie Procopio of Wampum, 86; and Lou Rotunno of Union, 71.

List of scoring leaders who have hit the 40s for 40 points or better as of January 31, follows:

**SECTION III**  
Player. School. Ttl. Pts.  
Black, New Castle. 70  
Cerevola, Aliquippa. 70  
Hammond, Farrell. 70  
Stepanik, Ambridge. 69  
Weber, Sharon. 66  
O'Hara, Ellwood City. 55  
Why, Beaver Falls. 55  
Cable, Aliquippa. 54  
McCandless, Beaver Falls. 53  
Knopik, Ambridge. 47  
Shenango, Shenango. 46  
Garay, Sharon. 44  
Clinda, Farrell. 43  
Sharon, Sharon. 43  
Watters, New Castle. 40  
Listak, Sharon. 40

## Quaker City To See Sheppard Vs. Bivins

PHILADELPHIA, Feb. 4.—(INS)—Two aspirants for the heavyweight title, Philadelphia's Curtis Sheppard and Jimmy Bivins, of Cleveland, were signed today for a 10-round bout at the Philadelphia Arena February 17.

Sheppard, dubbed the Hatchet man, who was recently rated the No. 1 contender for the crown by Jack Dempsey, has done most of his fighting in Pittsburgh and Baltimore. The fight will be Bivins' first appearance in the Quaker City.

## May Not Suspend Rocky Graziano

Graziano Must Explain All About Attempted Bribe Today In Court

SUGAR ROBINSON ALSO SUMMONED

NEW YORK, Feb. 4.—(INS)—Rocky Graziano, slashing contender for the middleweight title, had one worry off his mind today as he again was hauled before the New York State Athletic commission to explain all about the \$100,000 bribe that was offered him to "throw" a fight last December.

Graziano's worries were relieved somewhat by the announcement of Eddie Egan, chairman of the commission, that there is no basis to the bribe offer. The fight in question—between Graziano and Cowboy Ruben Shank of Denver—was called off three days before the two men were due to climb into a Madison Square Garden ring December 27, because Graziano complained he had a sore back.

**Robinson Called**  
Egan, while insisting that Graziano does not face a year's layoff, admits that Rocky's case hangs on Rule 64 of the commission's code. That rule requires a boxer to notify authorities immediately, should someone try to get him to take a dive in a fight.

Indications were that today's meeting would be a battle of lawyers, as was last Friday's session.

Meanwhile Sugar Ray Robinson, newly crowned welterweight champion, was ordered to appear before the commission next Friday for an inquiry into reports that he had been offered a \$25,000 bribe last September to withdraw from his title fight, later cancelled, with Marty Servo.

The Robinson affair, unlike Graziano's case, has been common gossip for some time.

## Shamokin Signs Jones As Coach

SHAMOKIN, Pa., Feb. 4.—(INS)—Raymond Jones, Windber High school football coach, Monday was the choice of the Shamokin school board to direct gridiron activities in the Northumberland county community.

He was appointed to succeed Michael Kilmara, who resigned at the end of the 1946 football season.

Jones will receive \$2,700 a year for teaching and an undisclosed bonus for coaching duties.

Jones has coached for three years at Windber, chalking up 28 victories and three defeats with his teams. Among teams beaten down by Jones' trainees were the powerful Altoona and Johnstown high school elevens.

## Sammy Angott To Attempt Come-Back

WHEELING, W. VA., Feb. 4.—(INS)—Sammy Angott, former world's lightweight champion, will make his first appearance in the ring in a year in Wheeling February 10 when he attempts a comeback.

Matchmaker Tim Nolan announced that he had signed Angott to meet an opponent not yet named.

## Sharon Hi Loses Big Bane Weber

Sharon High school's Section III cage title aspirations were dealt a crippling blow today when it was learned that Bane Weber, standout center, will be lost for the rest of the season with a broken toe.

The six foot, four inch pivot had been playing brilliant ball to date dumping in 66 points in six games. His loss comes at a time when the Bengals are deadlocked with Aliquippa for the section lead.

## Franklin Thumps Union Juniors

Sallie And Reed Top Scorers In Battle At Franklin High Floor Monday

Paced by Earl Sallie and Don Reed, the two Franklin High sharpshooters, the Patriots handed the Union Junior High team a 56 to 25 defeat Monday afternoon at the East Siders court. Franklin led at the half, 36 to 9. Sallie had 18 points and Reed had 13. Peterson was best for the losers.

## Women Golfers Get Tourney Dates Set

PITTSBURGH, Feb. 4.—(INS)—The Women's Western Pennsylvania Class A golf championship today had been assigned to the Oakmont Country club with the date tentatively set for the third week in August.

Officers and members of the Women's Golf Association of Western Pennsylvania yesterday assigned all major tournaments at the regular mid-winter meeting of the group.

Other tournaments scheduled include: Class B Title, Chartiers Heights Country club, late in July; Lehman Cup Handicap, Westmoreland Country club, mid-July; Two-Day, Two-Ball meet, Nemacolin Country club, date uncertain, and Four-Ball, Edgewood Country club, date uncertain.

The new Mt. Lebanon (Pittsburgh) Golf club and the Ridgeview Golf club, Butler county, were accepted into membership, while Castle Shannon (Pittsburgh) dropped out of the organization, which now has a membership of 37 clubs.

**Male**

There's a Job Waiting  
For You  
IN JAPAN  
All Expenses Paid  
\$90 Per Month

Qualified young men 18 to 34 (17 with parents' consent) may now apply for an interesting job in the 25th Infantry Division in Japan. The 25th is famed for heroic action on Guadalcanal, New Georgia, Vella Lavella and Luzon. Its members wear two Distinguished Unit citations.

Clocks, stenographers, typists, machinists, truck drivers, plumbers, carpenters and specialists in more than 40 trades and professions. Extension of their trades and opportunity to learn new ones.

Living conditions are excellent. Sports, entertainment and travel opportunities are highly developed in this division's area.

High overseas pay (20% above domestic Army base pay), excellent medical and dental care, and a generous retirement plan make this opportunity too good to miss!

Young men who can meet prescribed standards, and who enlist for 3 years, are entitled to free travel to the 25th Infantry Division at time of enlistment. Initial training given before departure from U. S. Army Recruiting Station, Room 202, Post Office Bldg., New Castle, Pa. 14-18

## New York Starts

## Hearings On Five

## Cent Transit Fare

NEW YORK, Feb. 4.—(INS)—New York City prepared today to come to grips with the hotly debated five cent fare issue as plans were readied for public hearings on a higher transit fare at City Hall Monday.

Mayor William O'Dwyer paved the way for the discussions when he urged the board of estimate at a special executive session yesterday to bring the political "hot potato" into the open.

"This represents the first time in more than thirty years that an elective New York City political body has agreed to discuss the transit issue in public forum."

Proponents of a higher fare are expected to contend that the five-cent fare is an economic fallacy which has been draining the city's finances each year and one that would plunge the city deeper and deeper into financial difficulty.

The deficit of the New York City Transit System this year is placed at 76 million dollars.

Supporters of the five-cent fare are expected to point out that transportation is an essential service and that an increase fare will be too heavy a burden for low-income groups.

They argue that the deficit should be made up from an increased share of state taxes, if not from the real estate tax.

The public hearings will not commit the mayor or the board of estimate to a higher fare, but city hall sources regarded it as probable that it would result in a move by the board of estimate toward a referendum on the issue at the November election.

RUSSIA REJECTS PLAN NEW YORK, Feb. 4.—(INS)—Russia rejected today an American compromise disarmament plan immediately after it had been submitted to United Nations security council.

## Finds A Home

Voluntarily surrendering to Richmond, Calif., police, Ralph Worrell, a merchant seaman, declared that the child he was accused of "kidnaping" from a Reno's children's home is his own. Accused (left) holding the tot, Ramona Levkovich, 4, Worrell said the baby had been born in a Jap prison camp where he had had a romance with Mrs. Alexandria Levkovich (right), Reno divorcee. Admitting that she had once considered marrying Worrell, but denying that he was the child's father, Mrs. Levkovich filed a kidnapping complaint. (International)

## Rounds Out 50 Years As New Castle Barber

Half a century cutting the hair of New Castle and Lawrence county residents in the distinct record of Reed Newell, 121 North Mercer street, who has just rounded out his fiftieth year as a barber.

Getting his start in the shop of John Cox on South Mill street at the age of 19, Mr. Newell as a learner or apprentice received the sum of exactly \$3 a week, not for just an ordinary eight hour day, but when business demanded it, worked in the shop until midnight and sometimes 1 o'clock in the morning until every customer was taken care of.

After getting a good start and becoming a full fledged barber Mr. Newell left the Cox shop four years later to work in a shop in the Central building. But before long he began to work for "Bret" Harruff, well-known local barber who passed away several years ago. Mr. Harruff and Mr. Newell worked together in the old Leslie House for approximately five years when the latter decided to go on his own and opened up a shop in the Fountain Inn basement, where he remained until 1930 when he moved to his present location on North Mercer street.

"As in all businesses," Mr. Newell stated, "numerous changes came about in the barbering trade including the electric clippers and in many instances the electric razors which are used in some shops. Modern tools have reduced the time spent by customers in the barber chair."

"Prior too, present quite a contrast," Mr. Newell told a reporter, "Why back in those early days you could get a hair cut for 25 cents and a shave for a dime. The five cent bootblack was busy also if the customer wanted him, shining your shoes while your hair was being cut."

Mr. Newell, who has no plans for retirement, is a widower and has one son, William D. Newell, who resides in Columbus, O. His grandson, William McQuiston Newell, is in the service in New Jersey.

## Foresee Big Year For County Fairs

Secretary Of State Association Expects New Record For Fairs In State

HARRISBURG, Feb. 4.—(INS)—A banner year for Pennsylvania's county fairs during 1947 was predicted today.

Charles W. Swoyer of Reading, secretary of the State Association of County Fairs, appeared confident fairs would net more than the \$748,658 reaped during the 1946 season, which was the largest in fair history in the state. "The 1945 'take' was \$212,533, he added.

"There is every reason to believe another year high will be reached this year," he said. "Worthwhile grandstand attractions and outstanding agricultural exhibits will do much to achieve this end."

Gross receipts amounted to \$1,338,705 last summer in contrast with \$1,059,757 grossed the preceding season, Swoyer reported. The total intake during the pre-war years of 1929 and 1940 averaged \$945,000 despite record attendance of approximately 3,000,000.

Estimate 2,529,808 Attend  
Total expenditures last year were \$969,337, Swoyer said.

Last year's admissions were estimated at 2,529,808. Fifty-five of the fairs operated at a profit while 39 suffered some loss, Swoyer said. Most deficits were experienced by community exhibitions.

Premiums paid totaled \$120,348, the highest figure since 1941. The drop from pre-war years was due to decreases in state subsidies and loss of prize money due to the ban on poultry exhibits, Swoyer explained.

The commonwealth's contributions of \$48,104 were the highest since 1943. The record sum was \$128,589 paid during 1939.

## Fear Old Spitoon Going To Scrap Pile

NEW YORK, Feb. 4.—(INS)—The shiny brass spitoon, a relic of the tobacco chewing era seemed headed for the scrap heap today.

All office buildings throughout the city were notified that cleaning women no longer will wash out cuspidors because of potential menace to their health.

Albert E. Perry, president and business manager of Local 32-J of the Building Service Employees International Union, AFL, asserted the union had received "thousands of complaints" against washing cuspidors from its members.

Perry said the cuspidors were a health menace to the cleaners and should have been eliminated long ago. In a letter to tenants in office buildings serviced by union members, Perry explained the objections to the continued use of spitoons:

"Cuspidors, out outmoded and outdated. They further the spread of disease. They are injurious to the health of persons who clean them."

## Declares Japanese Now Great Pacifists

WASHINGTON, Feb. 4.—(INS)—Rep. Mansfield (D) Mont., revealed that Gen. Douglas MacArthur now considers the Japanese as "the world's greatest pacifists."

Mansfield declared in a prepared House speech that the Japanese "have gone from one extreme to the other because their aggressive military system failed them and they have now become pacifists."

Mansfield reported to the House Monday on the results of a trip to the Orient he completed last December. He quoted MacArthur as stating that the United States' stay in Japan is "in the termination," depending in good part on the action of Congress and the reparations issue.

He suggested that President Truman call a four-power conference, including the United States, Russia, China and Great Britain to work out a peaceful solution for stricken China.

## PIN-WORMS NOW CAN BE BEATEN

The miseries of Pin-Worms have been known for centuries, and millions of victims have sought a way to deal with this pest that lives inside the human body. Today, thanks to a special, medically recognized drug, a highly effective treatment has been made possible. This drug is the vital ingredient in P-W, the Pin-Worm tablets developed in the laboratories of Dr. D. Jayne & Son.

The small, easy-to-take P-W tablets act in a special way to remove Pin-Worms. So don't suffer with the embarrassing rectal itch caused by this ugly pest. Ask your druggist for JAYNE'S P-W and follow the directions. P-W means Pin-Worm relief!

## Around Hollywood

By JOHN TODD  
International News Service Staff Correspondent

HOLLYWOOD, Feb. 4.—Marshall Thompson has been a very sick boy, and there's a rather grim story behind it.

Mostly you hear of Hollywood's glamour. But underneath you frequently find streaks of viciousness, and Marshall, a very sensitive boy, is the victim of one of them.

Just 21, he's as clean-cut a youngster as you'd find anywhere. He comes from one of Westwood's finest families. When M-G-M discovered him two years ago, he was a divinity student at Occidental College.

For some months Marshall has been seeing quite a bit of Elizabeth Taylor, who's 15 and the most beautiful of M-G-M's younger actresses. They've gone around together like any boy and girl in any town.

### Those Ugly Rumors

Then, all of a sudden someone started an ugly rumor campaign about him. A woman even telephoned Elizabeth's mother, Mrs. Sara Taylor, one recent evening and launched a tirade against Marshall.

She told Mrs. Taylor that she certainly wouldn't permit her daughter to go out with him, describing him as one of Hollywood's worst "wolves."

Mrs. Taylor was angered. She immediately phoned Marshall's mother, Mrs. Pauline Thompson, who told her son all about it. "There are types of young men in Hollywood who would be flattered by being called a 'wolf,'" but Marshall isn't one of them. He took the story much to heart, brooded over it, and his illness resulted.

The only tribe of Indians in North America in which weaving is a man's art, is the Arizona Hopi Indians. The best known of the various cotton garments now made by the Hopi are the white wedding robes woven by every bridegroom for his bride, the women's ceremonial robes and the dancing kilt and sash.

Dr. Matheson wrote the hymn, "O Love That Will Not Let Me Go", on June 6, 1882, and believed he wrote it in five minutes.

Don't let financial setbacks cloud your future happiness. Start now to build a substantial backlog of savings here, where safe dividends are assured.

### Two Found Dead In Tourist Cabin

PITTSBURGH, Feb. 4.—(INS)—A navy petty officer and a woman were found dead in a tourist cabin near Pittsburgh Monday, apparently from monoxide fumes.

Police identified them as Velma Hull, 25, and Jack J. Runtich, 30, of Trafford.

Paul Magzter, a handyman employed at the tourist camp, said the pair checked in at 4 a. m. Sunday as Mr. and Mrs. Bill Yocus, of Monaca, Tenn. The bodies were found shortly after noon Monday.

A small gas stove was burning in the room.

UPPER DARBY.—Police Sgt. Joseph Cassessa was blissfully unaware that he was to be a "mid-wife" until he was a German shepherd he was taking to an animal refuse gave birth to four puppies.

### SEEDS LEFT OVER MAY DO FOR 1947

Vegetable seeds left over from previous garden plantings may do satisfactorily if planted this spring, but if gardeners have any doubt as to their worth, tests should be made in advance.

Seeds of many varieties of vegetables remain in good condition when stored properly—in tight containers and placed in dry, cool storage. If left-over seeds have been stored loosely in paper bags and left outdoors to become damp, then germination tests are imperative. Test plantings in soil somewhat comparable to garden conditions are suggested since they will give an indication of vigor of plants as well as percentage of germination of seeds.

When stored properly, onion seed and sweetcorn can be held for two years; beans, carrots, peas three years; beets, peppers, tomatoes, four years; cabbage cauliflower, spinach, squash, radish, five years; celery, cucumber, eggplant, six years.

mination tests are imperative. Test plantings in soil somewhat comparable to garden conditions are suggested since they will give an indication of vigor of plants as well as percentage of germination of seeds.

### MISERY

The young wife was feeling and looking very gloomy.

"What's the trouble, dear?" her friend, a wife of ten years' standing, inquired.

"Oh—my husband has been out all the evening, and I haven't the faintest idea where he is."

"You shouldn't worry about that," her friend replied, breezily. "You'd probably be twice as miserable if you did know!"—Kablegram.

# DEODORANTS Can Be Used Safely . . . IF!

REMEMBER when using a deodorant—apply it sparingly, sponging off excess; a little goes a long way—apply fifteen minutes before putting on an outer garment—wear shields whenever possible—and have garments Quality Cleaned frequently. Otherwise don't be surprised if fabric weakens or color fades.
